**Docket Number:**  
**For Office Use Only**

**Failure To Provide Heat And/Or Hot Water - Tenant Application For Rent Reduction**

In New York City, the Housing Maintenance Code requires that heat must be provided from **October 1 through May 31 as follows:**

6 A.M. to 10 P.M.:

When the outside temperature is below 55 degrees Fahrenheit, the inside temperature must be at least 68 degrees Fahrenheit.

10 P.M. to 6 A.M.:

The inside temperature must be at least 62 degrees Fahrenheit.

**For information when heat must be provided outside New York City, please refer to Fact Sheet 15.**

**State Law requires that hot water** be provided 365 days per year, **24 hours a day** at a minimum of **120** degrees Fahrenheit at the tap. In New York City, if a tub or shower is equipped with an anti-scald valve that prevents the hot water temperature from exceeding **120** degrees Fahrenheit, the minimum hot water temperature for that tub or shower is **110** degrees Fahrenheit.

**TENANT INSTRUCTIONS:** Please note: You must attach a report from the appropriate city, municipal or county agency showing a finding of lack of heat and/or hot water. Type or clearly print all information requested. Be sure to date and sign the back of the application. Mail or deliver the original plus one copy of the signed application to the Division of Housing and Community Renewal (DHCR) address shown on the reverse side of this form. Keep one copy for your records.
