MBE/WBE & SDVOB Participation Goals

Article 15-A of the Executive Law authorizes state agencies and authorities to promote employment and business opportunities on state contracts for minorities and women-owned businesses. Under this statute, these entities are charged with establishing employment and business participation requirements for minorities and women. New York State Homes and Community Renewal has assigned standard regional requirements for construction contracts which meet the dollar threshold for MWBE participation.

The applicant and General Contractor shall make every reasonable effort to achieve the workforce requirements for minorities and women based on certain percentages to be determined by the Agency.

Davis-Bacon & Federal Labor Standards

Applicants should be aware that Federal Labor Standards may be required for the construction of projects funded by HCR. Information regarding the Labor Standards is available in the US Department of Labor (US DOL) Prevailing Wage Resource Book on Tab 3; “Introduction to the Labor Standards Statutes Coverage”: www.dol.gov/whd/recovery/pwrp/Tab3.pdf

As explained in the US DOL document referenced above, under the Davis-Bacon Related Acts, the requirements of the Davis-Bacon Act can be triggered by funding under certain Federal programs to projects which meet specific threshold requirements. In nearly all instances where these requirements are triggered on HCR funded projects, they are tied to assistance provided to the project from HUD programs. This includes assistance directly administered by HUD, by HCR, or any other State, County, or Local entity. For detailed information regarding when Davis-Bacon requirements apply due to assistance by HUD programs, please review the “Factors of Labor Standards Applicability” on HUD’s website:

<http://portal.hud.gov/hudportal/documents/huddoc?id=13441aII-6SECH.pdf>

Prior to executing any Owner/General Contractor Agreement for construction on projects that are subject to Davis-Bacon, awardees must contact HCR to receive guidance regarding Davis-Bacon.

Below are links to information provided by HUD and US DOL. Applicants proposing projects that are subject to Davis-Bacon are strongly encouraged to read and understand the information presented on these pages.
