1. Introduction

New York State Homes and Community Renewal (“HCR”) consists of all the major housing and community renewal agencies of the State of New York (“State”), including the New York State Division of Housing and Community Renewal (“DHCR” or “Agency”). HCR includes other agencies not involved in this request for proposals (“RFP”) process.

DHCR fosters the creation and preservation of high quality affordable housing and strategically revitalizes neighborhoods and communities throughout the State by integrating and leveraging the State’s housing resources. DHCR’s mission is far reaching, encompassing single and multifamily housing finance, home improvement, rent regulation, housing subsidies, and community development. DHCR’s four offices located in New York City, Albany, Buffalo and Syracuse, provide funding for
developers, lenders, local governments, and not-for-profit service providers who are committed to empowering low and moderate-income families.

Visit HCR’s website at [www.nyshcr.org](http://www.nyshcr.org) for more information about DHCR and its HCR affiliated agencies.

2. **Purpose**

DHCR is seeking proposals from qualified firms (“Proposers”) to design, provide, host, and operate NYHousingSearch.gov, a housing locator and listing service that is comprised of a website (“Website”) and a Customer Care Call Center (“Call Center”). Please note that the Budget for this project may not exceed an annual cost of $245,000 and a five year cost of $1,225,000.

The Website and Call Center must be fully functional and operational by November 29, 2018.

This RFP outlines the terms and conditions, and all applicable information required for submission of a proposal. To prevent possible disqualification and to ensure compliance with the requirements of the RFP, Proposers should pay strict attention to the Proposal Submission Deadline indicated in the Calendar of Events and Milestones section of this RFP and follow the format and instructions contained herein.

3. **Background**

NYHousingSearch.Gov was created by DHCR in 2009 to connect New Yorkers to affordable, accessible, high quality, and safe rental housing opportunities that meet the need of their families. The Website is a Statewide, online listing and locator service for rental properties, serving both property owners and prospective tenants. As of March 31, 2018, the Website and Call Center has grown to include nearly 150,000 rental units listed by more than 3,000 property owners. The Website is searched an average of 1,929 times a day. To supplement the information online, a Call Center provides inbound and outbound communication to rental property owners and other users, processing approximately 2,000 calls per month.

Moving forward, DHCR seeks creative design concepts for enhancing functionality and attractiveness of the Website, while expanding its infrastructure to connect New Yorkers to other necessary housing services frequently provided by local not-for-profit organizations and municipalities.

DHCR has determined, pursuant to New York State Executive Laws Article 15-a (“Article 15-A”) and Article 17-b (“Article 17-B”), respectively, that the assessment of participation by minority- and/or women-owned business enterprises (“MWBEs”) and service disabled veteran owned business enterprises (“SDVOBs”) of Proposers responding to this RFP is practical, feasible, and appropriate.

4.1 Minority and/or Women Owned Business Enterprise Participation (“Diversity”)

DHCR is committed to awarding contracts to firms that are dedicated to Diversity and provide high-quality services. DHCR strongly encourages firms that are certified by the State as MWBEs to submit responses to this RFP. All MWBE firms submitting proposals to this RFP should be registered as such with the State’s Empire State Development (“ESD”).

DHCR is required to implement the provisions of Article 15-A and 5 NYCRR Parts 142-144 (“MWBE Regulations”) for all contracts of DHCR, as defined therein, with a value in excess of $25,000. DHCR strongly encourages joint ventures of MWBE firms with majority firms and MWBE firms with other MWBE firms. For assistance identifying MWBE partners, review the list of certified State certified MWBEs, hyperlinked herein.

For purposes of this solicitation, DHCR hereby establishes an overall goal of 30% of total contract expenditures for MWBE participation, 15% for minority-owned business enterprises (“MBEs”) and 15% for women-owned business enterprises (“WBEs”).

4.2 Service-Disabled Veteran-Owned Business Enterprise Participation

DHCR is committed to awarding contracts to SDVOBs that provide high-quality services. DHCR strongly encourages firms that are certified as SDVOBs to submit responses to this RFP. All SDVOB firms submitting proposals to this RFP should be certified with the State’s Office of General Services (“OGS”).

DHCR is required to implement the provisions of Article 17-B for all DHCR contracts, as defined therein, with a value in excess of $25,000. For assistance identifying SDVOB partners, review the list of certified State SDVOBs, hyperlinked herein, and visit the State’s SDVOB webpage, also hyperlinked herein.
For purposes of this solicitation, DHCR hereby establishes a goal of 6% of total contract expenditures for SDVOB participation.

4.3 MWBE and SDVOB Partner/Subcontractor Interest

MWBEs and SDVOBs certified in the State may request that their firm’s contact information be included on a list of MWBE and SDVOB firms interested in serving as a partner or subcontractor for this RFP. The listing will be publicly posted on DHCR’s website for reference by the bidding community. A firm requesting inclusion on this list should send contact information and a copy of its MWBE certification and/or SDVOB certification to Nyhomes.proposal@nyshcr.org. Nothing prohibits an MWBE or a SDVOB firm from proposing as a prime contractor.

5 Primary Contractor and Subcontractor(s) Team

DHCR seeks a total solution. A Proposer may partner with other entities to provide DHCR with the Scope of Work and meet the procurement’s MWBE and SDVOB participation goals. The Proposer must be the lead vendor (“Primary Contractor”) that will serve as the legal contracting entity with which DHCR will enter into a contract if its proposal is selected. If the proposal includes products or services from any other participating vendors, it is understood that those vendors will serve as subcontractors to the Primary Contractor. The Budget Proposal should include and assume all costs required to meet the Scope of Work and the requirements of the RFP.

For purposes of evaluating proposals and developing the intended agreement between DHCR and the Primary Contractor, all contributions to the project from both the Primary Contractor and subcontractor(s), including skills, attributes, and products, will be considered as a total solution put forth by the Proposer.

In the event that a “team approach” is proposed, all necessary communications will be directed to the Primary Contractor.

Any addendum to this RFP will become part of this RFP and part of any contract awarded as a result of this RFP.

Further, a Proposer who discovers any ambiguity, conflict, discrepancy, omission or other error in this RFP, must immediately notify DHCR of such error and request clarification or modification to the
document. DHCR shall make RFP modifications by addendum, provided that any such modification would not materially benefit or disadvantage any Proposer.

If a Proposer fails to notify DHCR of a known error or an error that reasonably should have been known, prior to the Proposal Submission Deadline, the Proposer shall assume the risk. If awarded the contract, the Proposer shall not be entitled to additional compensation or time by reason of the error or its late correction.

There are no designated dates for release of addenda. Interested Proposers should check DHCR’s website frequently from the time of RFP issuance through the Proposal Submission Deadline. It is the sole responsibility of the Proposer to be knowledgeable of all addenda related to this procurement.

9. Scope of Work

to persons with disabilities. Web-based information and applications must conform to New York State Enterprise IT Policy NYS-P08-005 as determined by quality assurance testing. Such quality assurance testing will be conducted by DHCR, contractor or other and the results of such testing must be satisfactory to DHCR before web-based information and applications will be considered a qualified deliverable under the contract or procurement.

Additionally, the Website must meet WCAG 2.0 and AA guidelines and be manually tested by the Association of the Blind to evaluate for accessibility. Specific policies related to websites that must be met include:

Additionally, the Website will need to meet State Website Style Guidelines and be reviewed by the NY.Gov Digital Team before release.

The Website must allow landlords and property managers an easy method to upload pictures of different views of the property and a detailed description of each listing.

In order to provide persons with a disability or other special needs with the freedom of choice required by the Supreme Court’s Olmstead decision, the Website must be able to support a secure search function for such persons to locate both vacancies in “most integrated settings” and also vacancies in less integrated settings with more supportive services.

The Website must utilize Geographic Information Systems ("GIS") technology to provide an interactive map for both tenants and property owners to identify housing-related service providers in the surrounding area where they live. DHCR will provide updated information annually of the names, locations, and available services for local service providers. The Website must be able to accept basic information from users of the Website currently living in New York State, and utilize that information to route the users to available housing services where they live. A page of the Website must allow State residents to enter an address and locate relevant nearby local service providers that are contracted by DHCR and other State agencies. Throughout the term of the contract, DHCR will provide the successful Proposer with up-to-date information about the different types of State local service providers, their locations, and contact information.

During natural or other disasters, DHCR may utilize the Website to provide information on recovery assistance and emergency services. DHCR may utilize the Website to inform its users of new programs or relevant information.

9.2 Customer Care Call Center

Email inquiries must receive an automatic reply acknowledging receipt of the email and substantive follow up response must take place within one business day.

In an effort to reduce the number of displaced and at-risk homeless persons caused by a natural or other disaster, special measures must be taken in preparation of, during, and/or immediately after a disastrous event. During this period, Call Center staff must make targeted efforts to increase the
number of listings of short-term rental housing units that are in close proximity to areas impacted by the disaster.

The Call Center services must include the tasks indicated below.

**9.2.1 Inbound Calls and Emails and related tasks to include:**

a. Assisting landlords to register in the system and add new properties, remove properties, etc.;

d. Creating a featured property function on the homepage to highlight properties as requested by DHCR;

9.4 Compliance Management

The successful Proposer will design a system to monitor the compliance of properties required to list on the Website and generate reports to DHCR on such compliance in a manner to be agreed upon with DHCR. The Proposer will also work with DHCR to create and send emails and other correspondence to property owners determined to be non-compliant as determined by DHCR.

9.5 Performance Reporting

9.5.1 Ongoing Monthly Reporting

If the Proposer or any of its subcontractors are certified MWBEs in New York State, those firms should be clearly identified.

Provide an organizational chart for the operation of NYHousingSearch.org that clearly illustrates where all customer service, web design, marketing and program management functions will fit in the overall organizational framework. Identify staff that are already employed by the Proposer or its partners, and provide a plan for hiring any additional staff needed. The Proposer must provide a staffing plan that includes:

i. The location of the Call Center, if it is known, whether it is currently in operation, and whether it is owned or leased; if it is leased, provide details of the lease including landlord and the length of the lease;

Calculate by dividing 3,000 by the number of Call Center’s staff full time employees directly contacting landlords to verify the accuracy of vacancy postings and soliciting the posting of additional units and directly receiving and responding to calls and emails (do not count management staff, clerical staff or other support staff that are ancillary to the process); and

vi. The type of equipment to be provided for the operation of the Call Center to ensure its continuous operation.

11.2.4 Approach and Methodology

The work plan must demonstrate how the Proposer would eliminate or minimize a disruption in service during the transition. The work plan must include plans for existing data and user profile migration. These plans must include: (x) a detailed description of the Proposer’s intended means, methods, and timeline for accomplishing each task required in the Scope of Work, including performance measures, as well as any sub-tasks that the Proposer may identify; (y) a description of the Proposer’s prior experience using the proposed means and methods; and (z) a rationale for using the specified methods in the Scope of Work. The work plan must identify any “best practices” the Proposer will use to assure the timely completion of the work plan. The timeline must identify the earliest date when the Proposer will commence work following receipt of an executed contract and include precise dates for the completion of each task and any component subtasks identified by the Proposer.

The Proposer must indicate the extent to which the Scope of Work and any of its component subtasks will be performed within the State of New York and will utilize MWBEs.

ii. The proposal submitted must address the following key components of the Scope of Work and provide a plan to fully execute and meet the requirements outlined by November 29, 2018. For
each of the key elements listed below, the Proposer must provide proposed minimum service levels that DHCR may use as the basis for a SLA to be included in the contract. These service levels must include a description of the service, the minimum performance level, measurements for each performance level, and contingency information. The four key elements are:

(1) **Design, Host, and Operate the Website:** The Proposer must illustrate that it will bring new ideas and an innovative approach to the Website on an ongoing basis. The Proposer must have a strategy for continuously identifying opportunities to improve the basic functionality and attractiveness of the Website, while expanding the infrastructure to connect New Yorkers to affordable housing and necessary services.

Additionally, the Proposer must provide specific details regarding its website and database operations including, but not limited to, providing (a) detail on the specific hardware and software, (b) the types and locations of databases to store, retrieve and back-up data, (c) strategies for dealing with fluctuations in website traffic, and (d) contingency plans for dealing with power failures, system failure, etc. At minimum, the Proposer must provide information on the items listed below, as described more fully in Section 9 of this RFP.

A. **Integrity:**

(i) Describe the maintenance of a code revision library for the full term of an awarded contract with DHCR, and the utilization of industry accepted automated migration strategies for code migration between systems;

(ii) Describe protocols for revoking system access for terminated employees and partners and/or subcontractors that include disabling, rather than deleting, of accounts; and

(iii) Provide procedures for independently reviewing and assessing the Proposer’s adherence to DHCR’s requirements, at least annually.

B. **Security and Privacy:**
(i) Provide a list of controls in place to prevent data leakage or intentional/accidental compromise between tenants in a multi-tenant environment;

(ii) Provide documentation of physical security controls in place for datacenter or any facility where DHCR data is stored;

(iii) Provide documentation describing how DHCR data will be isolated from other cloud customers; and

(iv) Provide a security plan for DHCR to be implemented within thirty days of the contracted procurement, **but in no event shall the implementation date be on or after November 29, 2018.** The security plan for DHCR must be implemented by November 27, 2018.

C. **Availability:**

(i) Provide the annual uptime percentage and the maximum number of hours down per year;

(ii) Provide details on the availability of Help Desk Support and the availability of technical staff dedicated to the project described in the Scope of Work;

(iii) Describe the anticipated incident response time for critical, high, medium and low priority incidents; and

(iv) Provide minimum expectations for data back-up and recovery, including recovery point and recovery time objectives.

D. **Confidentiality:**

(i) Describe the Proposer’s security measures and protocols for protecting the confidentiality of the data.

In addition to their narrative response, the Proposer must also complete the Consensus Assessments Initiative Questionnaire (“CAIQ”). On the CAIQ, in addition to answering “yes” or “no,” the Proposer must provide additional detail in the comments section for each question, or attach additional sheets. Answering “no” to any of the questions does not automatically result in a disqualification. However, questions that are simply
answered “yes” or “no,” or where the information provided is vague, will likely score lower than those providing more detailed specifications and performance benchmarks. In order to be fully evaluated, Proposers must describe specific policies, procedures and controls in place, provide samples of documentation to be used, and other relevant information necessary for DHCR to determine and compare service levels.

The responses in this section will be utilized to help establish the SLA in the contract resulting from this RFP.

(2) **Customer Care Call Center.** The Website will be supported by a fully staffed and experienced Call Center to assist tenants and rental housing providers. The Proposer must demonstrate that it is prepared to serve up to 3,000 incoming calls from tenants and property owners per month by November 29, 2018. As part of this section of the narrative, the Proposer must summarize anticipated service levels. This summary must include, but is not limited to, maximum and average caller wait times, email response times, and other relevant measures, based on an average of between 1,500 and 3,000 incoming calls per month. The Proposer must also explain, to the extent possible, how these service levels will be impacted by a sudden increase in caller and email volume, and what strategies will be employed to manage any increased traffic. The Proposer’s response must also identify practices used to improve responsiveness in customer service.

(3) **Performance reporting:** The Proposer must provide regular performance monitoring reports to track the site usage for the Website and the Call Center. Define the specific data analysis methods that will be used to demonstrate the success of this effort in helping New Yorkers find housing.

In addition, the Proposer must provide more specific examples of proposed service levels for each of the key elements above in a proposed Service Level Agreement to be attached in Tab 2.

The successful Proposer will guarantee as well as commit, in writing, to the service levels outlined in its proposal. At the contract’s continuous operation and proper functioning of the Website meeting, the successful Proposer will be required, at minimum, to read and agree to abide by the New York State Office of Information Technology’s requirements and guidelines.

The successful Proposer will also guarantee continuous operation and proper functioning of the Call Center meeting, at a minimum, the level of performance outlined in the SLA submitted by the Proposer.
The Proposal submission may include staff and process flow charts, sample web page interface concepts, samples of previous work, etc. Proposers are encouraged to specifically identify and explain best practices and innovative techniques that have been used in the past or that could be used – in order to:

- Identify instances of housing discrimination and fraud, and report landlords who engage in this behavior;
- Ensure services will be easily accessible to non-English speaking landlords and prospective tenants;
- Streamline and more directly link site users to local housing providers using GIS and other technology; and
- Track and more accurately report the extent to which the Website directly leads to tenants finding quality affordable housing.

It should be noted that DHCR will consider proposals that amortize set-up costs so that the total five year total cost remains within the limited $1,225,000.

13. Evaluation, Selection and Notification

13.1 Evaluation Process

Proposals must demonstrate that the Proposer is qualified to perform the Scope of Work based on prior relevant professional experience, evidence of Required Performance Standards, proposed work plan, methodology, timeline, staffing plan, MWBE participation, and budget including, but not limited to, the required documentation submitted in Tab 5 of the proposal.

The evaluation of proposals shall be based on the “Best Value” concept. The proposal which “optimizes quality, cost, and efficiency” among the responsive and responsible Proposers will be selected for award.

Proposers must complete and submit all forms, information, and other documentation listed in this RFP as part of their proposal. DHCR may deem a proposal non-responsive and disqualify a Proposer, if any of the required forms, information or other documentation is missing or incomplete. DHCR reserves the right, in its sole judgment, to disregard any apparent errors in a proposal that it deems insignificant, to accept or reject any or all proposals, or to cancel this solicitation and reissue it or another version of it, if DHCR deems that doing so is in the best interest of the citizens of the State of New York.

Upon review of submitted proposals, DHCR may, at its discretion, forward to Proposers written questions and requests for clarification relating to their proposal. Proposers will be provided a reasonable period of time in which to submit written responses to DHCR’s requests for clarification.

DHCR reserves the right to conduct in-person, web video, or telephone interviews with Proposers for purposes of expanding or clarifying responses.

DHCR, at its sole discretion, will determine which proposal best satisfies its requirements. DHCR reserves all rights with respect to the award of a contract for this RFP project. DHCR reserves the right to select a proposal that, in its sole judgment, is consistent with and responsive to the goals of DHCR, irrespective of whether it is the apparent lowest cost proposal. Furthermore, the determination of such selection will be made by DHCR to be in the best interest of the citizens of the State of New York.

DHCR may deem a proposal non-responsive and disqualify a Proposer, if any of the required forms, information or other documentation is missing or incomplete. DHCR reserves the right, in its sole judgment, to disregard any apparent errors in a proposal that it deems insignificant.

During the evaluation process, DHCR may require information from a Proposer. If specific sections of the written proposal require clarification, DHCR will request clarifications in writing. The Proposer
should respond by the deadline stated in the correspondence. In addition, DHCR may use the proposal, information obtained through any interviews, and DHCR’s own investigation of a Proposer’s qualifications, experience, ability or financial standing, and any other material or information submitted by the Proposer in the course of evaluation and selection under this RFP. DHCR reserves the right to contact other sources not necessarily identified in the proposal to obtain information.

13.2 Scoring and Evaluation

DHCR will only score complete and responsive proposals.

13.2.1 Technical Proposal Evaluation – 70 Points

DHCR’s Review Committee (“Committee”) will independently score each Technical Proposal that meets the submission requirements of this RFP. The Committee will score Technical Proposals to identify the Proposer with the highest probability of satisfactorily providing the services described in the Scope of Services of this RFP. Evaluations will be based on the Proposer’s demonstration of its ability to provide the services required through its Technical Proposal. Committee member scores will be averaged to calculate a technical score for each responsive Proposer.

13.2.2 Cost Proposal – 25 Points

DHCR’s Contract Unit will examine the Cost Proposal documents and review them for responsiveness to cost requirements. If a Cost Proposal is found to be non-responsive, that proposal will be eliminated from consideration. All complete, responsive proposals will receive a cost score. Cost Proposals will be evaluated on a pre-determined formula based on the proposal budget. The maximum score (25 points) will be allocated to the proposal with the lowest cost according to this formula. All other proposals will receive a proportionate score to the proposal with the lowest cost, according to the following formula:

\[
\text{Cost points awarded} = (25 \text{ potential points}) \times (\text{Low bid / Proposer’s bid})
\]

13.2.3 MWBE Diversity Practices – 5 Points

DHCR’s Office of Economic Opportunity & Partnership Development (“OEOPD”) will examine the MWBE documents and review them for responsiveness to MWBE requirements. Proposals that have identified MWBEs as the Proposer, subcontractor or sub-consultant to meet the Scope of Services outlined in Section 9 may receive up to five (5) points. A proposal that exceeds the minimum MWBE participation goals may be allotted additional points in the evaluation process.
13.2.4 Finalists and Interviews

An initial composite score for each responsive Proposer will be calculated by adding the Technical Proposal points, MWBE Diversity Practices points, and Cost Proposal points. If interviews are deemed necessary by DHCR, the Finalist Proposers will be the Proposers with the three highest Initial Composite Scores.

If DHCR determines that interviews are necessary, Finalists will be notified of the date, location and time of their interview. The interview will be designed to allow Finalists to demonstrate their ability to provide the required services. The proposed Proposer and proposed subcontractor(s), if any, as well as other key personnel who would be responsible for providing the required services, should be present and participate in the interview.

Further information regarding the format of this stage of the evaluation may be provided to the Proposer prior to the interview. The interview should substantiate the characteristics and attributes claimed by the Proposer and it subcontractor(s), if any, in the written response to the RFP. Technical scores may be revised based on the information gained from Finalist interviews. However, the interviews will not be an opportunity to cure material omissions in Proposers’ proposals and are not a substitute for a well-written proposal.

DHCR may choose to forego interviews, at its discretion.

14. SELECTION AND NOTIFICATION PROCESS

DHCR expects to award one contract as a result of this RFP process; however, DHCR, in its sole discretion, reserves the right to not award a contract or to make an award on a portion of the RFP. DHCR anticipates making a final decision on the selection of a successful Proposer at the time noted in the Calendar of Events and Milestones section of this RFP.

Notification of award or non-award will be provided to all Proposers. The RFP (including all attachments, appendices and hyperlinks), all amendments/clarifications thereto, and the proposal submitted by the successful Proposer, and any clarifications thereto, will serve as the basis for, and will be included as appendices to, the contract with DHCR.

In the event an agreement cannot be made with the highest rated qualified Proposer, DHCR reserves the right to negotiate with the next highest rated qualified Proposer.
15. Debriefing and Protest Procedures

Unsuccessful Proposers shall be notified upon DHCR’s selection of a Contractor. Consistent with New York State Finance Law Section 163(9)(c), any Proposer that is not selected for award may, within ten (10) days of notice of the contract award, request a debriefing to discuss the evaluation of its Proposal. A debriefing must be requested in writing and the request shall be submitted to Lisa G. Pagnozzi at Lisa.Pagnozzi@nyshcr.org AND Nyhomes.proposal@nyshcr.org.

A Proposer will be accorded fair and equal treatment with respect to its opportunity for debriefing. The debriefing shall be scheduled within ten business days of receipt of written request by DHCR, or as soon after that time as practicable under the circumstances.

An unsuccessful Proposer may file a protest concerning the contract award to Lisa G. Pagnozzi at Lisa.Pagnozzi@nyshcr.org AND Nyhomes.proposal@nyshcr.org within ten business days from the date of the notice of the contract award, except that any protest concerning the terms and conditions of the solicitation (or other matters that would be apparent to an interested party prior to the date set in this RFP for the receipt of proposals) must be filed on or before the date set in this RFP for the receipt of proposals.

16. Contract Award

The term of the contract will be for five years, which contract award shall be subject to approval by the Office of the State Comptroller (“OSC”) and the Office of the State’s Attorney General (“OAG”) and contingent upon the availability of funding. DHCR reserves the right to revoke a contract award if such approval is not granted by the OAG and OSC. DHCR will evaluate each proposal based on the “Best Value” concept and a first-year budget not to exceed $245,000, and a five-year budget not to exceed $1,225,000.

DHCR may, upon thirty (30) days’ notice, terminate the contract(s) resulting from this RFP in the event of a successful Proposer’s failure to comply with any of the proposal’s requirements unless the successful Proposer obtained a waiver of the requirement.

In addition, DHCR may also terminate any contract resulting from this RFP upon ten (10) days’ notice if a Contractor makes any arrangement or assignment for the benefit of creditors.

Further, DHCR shall have the right, in its sole discretion, at any time to terminate a contract resulting from this RFP or any unit portion thereof, with or without cause, by giving a thirty (30) day written notice to the Contractor.
DHCR reserves the right to terminate a contract resulting from this RFP process in the event it is found that a certification filed by the Proposer in accordance with New York State Finance Law §139-k was intentionally false or intentionally incomplete. Upon such finding, DHCR may exercise its termination right by providing written notification to the Contract awardee.

This written contract shall be governed by the laws of the State of New York. The entire Agreement shall consist of the documents, appendices and forms listed below. Conflicts between these documents shall be resolved in the following order of precedence:

1. Standard Clauses for New York State Contracts, attached hereto as Appendix A;
2. The Contract, including all exhibits, appendices, forms and attachments (including DHCR’s Participation by Minority Group Members and Women Requirements and Procedures for Contracts, attached hereto as Appendix B);
3. The RFP and any all modifications and clarifications thereto; and
4. The Contractor’s Proposal and any clarifications thereto.

In the event an agreement cannot be made with the highest rated qualified Proposer, DHCR reserves the right to negotiate with the next highest rated qualified Proposer.

The delivery of services based on an approved contract is expected to commence on November 29, 2018.

Upon contract award, public announcements or news releases pertaining to the contract(s) shall not be made without the prior written consent of DHCR.

17. Information relating to MWBEs, EEO, SDVOB and use of State Business

17.1 Contractor Requirements and Procedures for Business Participation Opportunities for New York State Certified Minority-and Women-Owned Business Enterprises

17.1.1 New York State Law

Pursuant to New York State Executive Law Article 15-A and 5 NYCRR 140-145, DHCR recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of DHCR contracts.
In 2006, the State of New York commissioned a disparity study to evaluate whether MWBEs had a full and fair opportunity to participate in State contracting. The findings of the study were published on April 29, 2010, under the title "The State of Minority and Women-Owned Business Enterprises: Evidence from New York" ("Disparity Study"). The report found evidence of statistically significant disparities between the level of participation of MWBEs in State procurement contracting versus the number of MWBEs that were ready, willing and able to participate in State procurements. As a result of these findings, the Disparity Study made recommendations concerning the implementation and operation of the State-wide certified minority- and women-owned business enterprises program. The recommendations from the Disparity Study culminated in the enactment and the implementation of New York State Executive Law Article 15-A, which requires, among other things, that DHCR establish goals for maximum feasible participation of New York State certified MWBEs and the employment of minority groups members and women in the performance of New York State contracts.

17.1.2 Business Participation Opportunities for MWBEs

For purposes of this solicitation, DHCR hereby establishes an overall goal of 30% for MWBE participation, 15% for NYS certified MBE participation and 15% for NYS certified WBE participation (based on the current availability of qualified MBEs and WBEs). A contractor ("Contractor") on the subject contract ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors, partners or suppliers in the performance of the Contract and the Contractor agrees that DHCR may withhold payment pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: https://ny.newnycontracts.com/FrontEnd/VendorSearchPublic.asp?TN=ny&XID=3972. For guidance on how DHCR will determine a Contractor’s “good faith efforts,” refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and DHCR may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a proposal, a Proposer on the Contract agrees to demonstrate its good faith efforts to achieve its goals for the utilization of MWBEs by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at https://ny.newnycontracts.com/frontend/diversityusers.asp, provided, however, that a Proposer may arrange to provide such evidence via a non-electronic method by contacting Ms. Lisa G. Pagnozzi at Lisa.Pagnozzi@nyshcr.org and Nyhomes.Proposal@nyshcr.org. Please note that the NYSCS is a one stop solution for all of your MWBE and Article 15-A contract requirements. For additional
information on the use of the NYSCS to meet Proposer’s MWBE requirements, please click on the following hyperlinked MWBE guidance, “Your MWBE Utilization and Reporting Responsibilities Under Article 15-A.”

Additionally, a Proposer will be required to submit the following documents and information as evidence of compliance with the foregoing:

a) A MWBE Utilization Plan with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DHCR.

b) DHCR will review the submitted MWBE Utilization Plan and advise the Proposer of DHCR’s acceptance or issue a notice of deficiency within 30 days of receipt.

c) If a notice of deficiency is issued, the Proposer will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DHCR at 641 Lexington Avenue, 4th Floor, New York, NY 10022, Fax number 917-274-0364, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DHCR to be inadequate, DHCR shall notify the Proposer and direct the Proposer to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DHCR may disqualify a Proposer as being non-responsive under the following circumstances:

d) If a Proposer fails to submit a MWBE Utilization Plan;

e) If a Proposer fails to submit a written remedy to a notice of deficiency;

f) If a Proposer fails to submit a request for waiver; or

g) If DHCR determines that the Proposer has failed to document good faith efforts.

The Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DHCR, but must be made no later than prior to the submission of a request for final payment on the Contract.

The Contractor will be required to submit a Cumulative Payment Statement to DHCR, by the 10th day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.
17.2 Equal Employment Opportunity Requirements

By submission of a proposal in response to this solicitation, the Proposer agrees with all of the terms and conditions of the below clause titled, “Equal Employment Opportunities for Minorities and Women.”

EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this Contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby DHCR, is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to DHCR, then the following shall apply and by signing the agreement the Contractor certifies and affirms that in Contractor’s equal employment opportunity policy that:

(a) the Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on DHCR contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of DHCR, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of this Contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of ‘a”, “b”, and “c” above, in every subcontract. Section 312 does not apply to: (i) work, goods or services unrelated to this Contract; or (ii) employment outside New York State. DHCR shall consider compliance by a Contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. DHCR shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict
exists, DHCR shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women's Business Development pertaining hereto.

(d) If the procurement of the goods or services provided herein is subject to minority and women-owned participation requirements pursuant to Article 15-A of the Executive Law, the Contractor shall be liable to DHCR for liquidated or other appropriate damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payments to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under this Contract. This Contract may provide for other appropriate remedies on account of such breach in the event it is found that the Contractor willfully and intentionally failed to comply with the minority and women-owned participation requirements set-forth in Article 15-A of the Executive Law.

The Proposer will be required to submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement, a model statement is attached hereto as Exhibit D, to DHCR with their proposal.

To ensure compliance with this Section, the Proposer will be required to submit with the bid or proposal an *Equal Employment Opportunity Staffing Plan PROC-1 Form*, identifying the anticipated work force to be utilized on the Contract. If awarded a Contract, Proposer shall submit a quarterly EEO Workforce Utilization Report, PROC-5, hyperlinked herein with Instructions, and shall require each of its subcontractors, if any, to submit a Workforce Utilization Report, on a quarterly basis during the term of the Contract for the quarters ending March 31st, June 30th, September 30th and December 31st. Quarterly EEO Workforce Utilization Reports shall be submitted, in PDF format, to Econ.Opportunity@nyshcr.org by April 10th, July 10th, October 10th and January 10th.

Pursuant to Executive Order #162, contractors and subcontractors, if any, will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the EEO Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and subcontractors, if any, will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.
Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

17.3 CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR STATE CERTIFIED SERVICE-DISABLED VETERAN-OWNED BUSINESSES

Article 17-B of the State Executive Law provides for more meaningful participation in public procurement by certified Service-Disabled Veteran-Owned Businesses (“SDVOBs”), thereby further integrating such businesses into the State’s economy. DHCR recognizes the need to promote the employment of service-disabled veterans and to ensure that SDVOB’s have opportunities for maximum feasible participation in the performance of DHCR contracts.

In recognition of the service and sacrifices made by service-disabled veterans and in recognition of their economic activity in doing business in the State, bidders/proposers are expected to consider SDVOBs in the fulfillment of the requirements of the awarded Contract. Such participation may be as subcontractors or suppliers, as protégés, or in other partnering or supporting roles.

17.3.1 Contract Goals

a) DHCR hereby establishes a goal of 6% for SDVOB participation on the Contract resulting from this solicitation process, based on the current availability of qualified SDVOB(s). For purposes of providing meaningful participation by SDVOBs, the bidder/proposer/Contractor should reference the directory of State certified SDVOBs found at: https://ogs.ny.gov/Core/SDVOBA.asp. Questions regarding compliance with SDVOB participation goals should be directed to Ms. Lisa G. Pagnozzi at Lisa.Pagnozzi@nyshcr.org. Additionally, following Contract execution, the Contractor is encouraged to contact the Office of General Services’ Division of Service-Disabled Veterans’ Business Development at 518-474-2015 or VeteransDevelopment@ogs.ny.gov to discuss additional methods of maximizing participation by SDVOBs.

b) The Contractor must document “good faith efforts” to provide meaningful participation by SDVOBs as subcontractors or suppliers in the performance of the Contract (see subsection 17.3.4 below).

17.3.2 SDVOB Utilization Plan

a) In accordance with 9 NYCRR § 252.2(i), bidders/proposers are required to submit a completed SDVOB Utilization Plan, hyperlinked herein, with their proposal or bid.
b) The Utilization Plan shall list the SDVOB(s) that the bidder/proposer intends to use, a description of the work that the Offeror intends the SDVOB(s) to perform to meet the goals on the awarded Contract, the estimated dollar amounts to be paid to the SDVOB(s), or, if not known, an estimate of the percentage of Contract work the SDVOB(s) will perform. By signing the Utilization Plan, the bidder/proposer acknowledges that making false representations or providing information that shows a lack of good faith as part of, or in conjunction with, the submission of a Utilization Plan is prohibited by law and may result in penalties including, but not limited to, termination of a contract for cause, loss of eligibility to submit future proposals/bids, and/or withholding of payments. Any modifications or changes to the agreed participation by SDVOB(s) after the Contract award and during the term of the Contract must be reported on a revised SDVOB Utilization Plan and submitted to DHCR.

c) DHCR will review the submitted SDVOB Utilization Plan and advise the bidder/proposer of DHCR’s acceptance or issue a notice of deficiency within twenty (20) business days of receipt.

d) If a notice of deficiency is issued, the bidder/proposer agrees that it shall respond to the notice of deficiency, within seven (7) business days of receipt, by submitting to DHCR a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DHCR to be inadequate, DHCR shall notify the bidder/proposer and direct the bidder/proposer to submit, within five (5) business days of notification by DHCR, a request for a partial or total waiver of SDVOB participation goals. Failure to file the waiver in a timely manner may be grounds for disqualification of the bid or proposal.

e) DHCR may disqualify an bidder’s/proposer’s bid or proposal as being non-responsive under the following circumstances:

   i. If a bidder/proposer fails to submit an SDVOB Utilization Plan;

   ii. If a bidder/proposer fails to submit a written remedy to a notice of deficiency;

   iii. If a bidder/proposer fails to submit a request for waiver; or

   iv. If DHCR determines that the bidder/proposer has failed to document good faith efforts.

f) If awarded a Contract, Contractor certifies that it will follow the submitted SDVOB Utilization Plan for the performance of SDVOB(s) on the Contract pursuant to the prescribed SDVOB contract goal set forth above.

g) The bidder/proposer further agrees that a failure to use SDVOB(s) as agreed in the Utilization Plan shall constitute a material breach of the terms of the awarded Contract. Upon the
occurrence of such a material breach, DHCR shall be entitled to any remedy provided herein, including but not limited to, a finding of Contractor non-responsibility.

17.3.3 Request for Waiver

Prior to submission of a request for a partial or total waiver, bidder/proposer/Contractor shall contact the Designated Contact(s) at DHCR for guidance.

a) In accordance with 9 NYCRR § 252.2(m), an bidder/proposer/Contractor that is able to document good faith efforts to meet the goal requirements, as set forth in subsection 17.3.4 below, may submit a request for a partial or total waiver, accompanied by supporting documentation. A bidder/proposer may submit the request for waiver at the same time it submits its SDVOB Utilization Plan. If a request for waiver is submitted with the SDVOB Utilization Plan and is not accepted by DHCR at that time, the provisions of subsection 17.3.2 (c), (d) and (e) will apply. If the documentation included with the bidder’s/proposer’s/Contractor’s waiver request is complete, DHCR shall evaluate the request and issue a written notice of acceptance or denial within twenty (20) business days of receipt.

b) The Contractor shall attempt to utilize, in good faith, the SDVOB(s) identified within its SDVOB Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract award may be made at any time during the term of the awarded Contract to DHCR, but must be made no later than prior to the submission of a request for final payment.

c) If DHCR, upon review of the SDVOB Utilization Plan and Quarterly SDVOB Cumulative Payment Statement report, hyperlinked herein, determines that the Contractor is failing or refusing to comply with the goals and no waiver has been issued in regards to such non-compliance, DHCR may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of SDVOB contract goals.

Waiver requests should be sent to DHCR at 641 Lexington Avenue, 4th Floor, New York, NY 10022, Fax number 917-274-0364.

17.3.4 Required Good Faith Efforts

In accordance with 9 NYCRR § 252.2(n), Contractors must document their good faith efforts toward utilizing SDVOBs. Evidence of required good faith efforts shall include, but not be limited to, the following:

a) Copies of solicitations to SDVOBs and any responses thereto;
b) Explanation of the specific reasons each SDVOB that responded to Contractor’s solicitation was not selected;

c) Dates of any pre-bid, pre-award or other meetings attended by Contractor, if any, scheduled by DHCR with SDVOB(s) that DHCR determined were capable of fulfilling the SDVOB goal set in the awarded Contract;

d) Information describing the specific steps undertaken to reasonably structure the scope of work for the purpose of subcontracting with, or obtaining supplies from SDVOB(s); and

e) Other information deemed relevant to the waiver request.

17.3.5 Quarterly SDVOB Contractor Cumulative Payment Statement Report

In accordance with 9 NYCRR § 252.2(q), the Contractor is required to submit a Quarterly SDVOB Contractor Cumulative Payment Statement, hyperlinked herein, to DHCR during the term of the awarded Contract for the preceding quarter’s activity, documenting progress made towards achieving the SDVOB goals. This information must be submitted using the Contractor Cumulative Payment Statement, hyperlinked herein, and should be completed by the Contractor and submitted to DHCR, for the quarters ending March 31st, June 30th, September 30th and December 31st. Quarterly Contractor Cumulative Payment Statement reports shall be submitted, in PDF format, to Econ.Opportunity@nyshcr.org by April 10th, July 10th, October 10th and January 10th.

17.3.6 Breach of Contract and Damage

In accordance with 9 NYCRR § 252.2(s), any Contractor found to have willfully and intentionally failed to comply with the SDVOB participation goals set forth in the awarded Contract, shall be found to have breached the Contract and the Contractor shall pay liquidated damages. Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to the SDVOB had the Contractor achieved the contractual SDVOB goal; and (2) all sums actually paid to SDVOB(s) for work performed or materials supplied under the awarded Contract.
17.4 The Use of New York State Businesses in Contract Performance

DHCR is committed to awarding a contract to a firm that will provide high-quality services at a reasonable and competitive cost and will substantially perform the Scope of Work, as described in this RFP, from an office(s) or location(s) within New York State.

New York State businesses have a substantial presence in State contracts and strongly contribute to the economics of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, Proposers for this DHCR procurement are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the DHCR awarded contract. Such partnering may be as subcontractors, suppliers, protégés, providers of office and work space, and/or other supporting roles.

Proposers need to be aware that all authorized users of the awarded contract will be strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Furthermore, Proposers are reminded that they must continue to utilize small, minority and women-owned businesses, and service-disabled veteran businesses consistent with current State law.

Utilizing New York State businesses in DHCR contracts will help create more private sector jobs, rebuild New York’s infrastructure, and maximize economic activity to the mutual benefit of the proposers and its New York State business partners. New York State businesses will promote the contractor’s optimal performance under the contract award, thereby benefiting the public sector programs that are supported by associated procurements. Public procurements can drive and improve the State’s economic engine through promotion of the use of New York businesses by its contractors. DHCR therefore expects the successful Proposer to provide maximum assistance to New York businesses in its use of the awarded contract. The potential participation of all kinds of New York businesses will deliver great value to the State and its taxpayers.

18. Restriction of Communication

Pursuant to State Finance Law (“SFL”) §§139-j and 139-k, this RFP imposes certain restrictions on communications between DHCR, its HCR Affiliates, employees of the State and a potential Proposer during the RFP process. A Proposer is restricted from making contacts that a reasonable person may infer were intended to influence the selection of a firm or company to perform (or provide) the proposed professional services (or goods) in this RFP, from the date of publication of this RFP until the awarding of a contract(s) by DHCR (the “Restricted Period”) with any person other than the designated contacts named on Page 5 of this RFP, unless it is a contact that is included among certain statutory exceptions set forth in SFL §139-j(3)(a). Employees of DHCR, including any employees of
its HCR Affiliates, are required to obtain certain information when contacted during the Restricted Period and make a determination of responsibility of the Proposer under the SFL. Findings of non-responsibility can result in rejection for contract award and in the event of two (2) findings within a four (4) year period, the Proposer will be debarred from obtaining governmental contracts.

19. Ethics

19.1 Public Officers Law

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a “lifetime bar” from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

19.2 Ethics Requirements

The successful Proposer(s) and its subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics (“JCOPE”), or its predecessors (collectively, the “Ethics Requirements”). The Proposer certifies that all of its employees and those of its subcontractors who are former employees of the State and who are assigned to perform services under any contract resulting from this RFP process shall be assigned in accordance with all Ethics Requirements. During the term of any resulting contract, no person who is employed by the successful Proposer(s) or its subcontractors and who is disqualified from providing services under any resulting contract pursuant to any Ethics Requirements may share in any net revenues of the successful Proposer(s) or its subcontractors derived from any resulting contract.

The successful Proposer shall identify and provide the State with notice of those employees of the successful Proposer and its subcontractors who are former employees of the State that are proposed to perform services under any resulting contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the successful Proposer provide it with whatever information the State deems appropriate about each such person’s engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public
Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any subcontractor if utilizing such subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The State shall have the right to terminate any resulting contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

19.3 Vendor Responsibility Determination

DHCR will conduct a review of each Proposer’s Vendor Responsibility Questionnaire (Exhibits N.1 or N.2) to provide reasonable assurances that the Proposer is responsible. All identified subcontractors (as indicated in the Utilization Plan, PROC-2 Form) of the RFP of the successful Proposer, projected to earn more than $100,000 in total expenditures during the term of the Contract, will be required to complete a Vendor Responsibility Questionnaire. DHCR will make a finding of responsibility or non-responsibility before making a contract award, considering any information that comes to its attention concerning the Proposer’s responsibility.

If DHCR identifies potentially negative information in its review, DHCR will notify the Proposer. If DHCR makes a preliminary finding that the Proposer is non-responsible, DHCR will detail in writing to the Proposer the reasons(s) for the preliminary determination, and will provide an opportunity for the Proposer to respond before the determination is finalized.

A successful Proposer(s) is required to update their responsibility determination if a material event occurs requiring an amendment. The successful Proposer(s) is also required to update their Vendor Responsibility Questionnaires as new information becomes available.

The successful Proposer(s) shall at all times during the contract term remain responsible. During the term of any resulting contract, any changes in the provided Questionnaire shall be disclosed to DHCR, in writing, in a timely manner. Failure to make such disclosure may result in a determination of non-responsibility and termination of the contract. Furthermore, the successful Proposer agrees, if requested by DHCR, to present evidence of its continuing legal authority to do business in New York State, its integrity, experience, ability, prior performance, and organizational and financial capacity.

DHCR, in its sole discretion, reserves the right to suspend any or all activities under any resulting contract, at any time, when it discovers information that calls into question the responsibility of the successful Proposer. In the event of such suspension, the successful Proposer will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the successful Proposer must comply with the terms of the suspension order. Contract activity may resume at such time as DHCR issues a written notice authorizing a resumption of performance under the contract.
Upon written notice to the successful Proposer, and a reasonable opportunity to be heard by the appropriate DHCR officials or staff, the contract may be terminated by DHCR at the Proposer’s expense where the Proposer is determined by DHCR to be non-responsible. In such event, DHCR may complete contractual requirements in any manner it deems advisable and pursue available legal or equitable remedies for breach. DHCR reserves the right to terminate a contract for non-responsibility, including failure to disclose information. This provision shall also apply to any proposed subcontractor performing services under the resulting contract in excess of $100,000. Proposers and applicable subcontractors are required to complete, certify, and submit a Vendor Responsibility Questionnaire as part of their Proposal Submission.

20. Sales Tax Certification

Pursuant to New York State Tax Law Section 5(a), the successful Proposer and its affiliates and/or sub-contractors will be required to certify to the New York State Department of Taxation and Financial Services that the firm is registered to collect New York State and local sales and compensating use taxes, as provided in Tab 5 of this RFP.

Section 5-a of the Tax Law requires certain Contractors awarded State Contracts for commodities, services and technology valued at more than $100,000 to certify to the NYS Department of Taxation and Finance (“DTF”) that they are registered to collect New York State and local sales and compensating use taxes. The law applies to Contracts where the total amount of such Contractors’ sales delivered into New York State are in excess of $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made, and with respect to any affiliates and subcontractors whose sales delivered into New York State exceeded $300,000 for the four quarterly periods immediately preceding the quarterly period in which the certification is made.

Upon notification of award, the Contractor is required to file the completed and notarized Form ST-220-CA with DHCR certifying that the Contractor filed the ST-220-TD form (hyperlinked herein) with DTF. Note: DTF receives the completed Form ST-220-TD, not DHCR. DHCR only receives the Form ST-220-CA. Contractor should complete and return the certification forms within five (5) business days of request from DHCR. Failure to make either of these filings may render a Contractor non-responsive and non-responsible. Contractor shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law.

Website links to the Contractor certification forms and instructions are provided in the hyperlinks above. Unless the information upon which the ST-220-TD is based changes, this form only needs to be filed once with DTF. If the information changes for the Contractor, its affiliate(s), or its subcontractor(s), a new Form No. ST-220-TD must be filed with DTF.
Form ST-220-TD must be submitted upon notification of award by DHCR. This form provides the required certification that the Contractor filed the ST-220-TD with DTF.

Proposers may call DTF at (518) 485-2889 for any and all questions relating to Section 5-a of the Tax Law and relating to a company's registration status with the DTF.

21. Iran Divestment Act (“Act”)

By submitting a proposal in response to this solicitation or by assuming the responsibility of a contract awarded hereunder, the Proposer (or any assignee) certifies that it is not on the “Entities Determined To Be Non-Responsive Proposers Pursuant to The New York State Iran Divestment Act of 2012” list (“Prohibited Entities List”) posted on the website of the State’s Office of General Services and further certifies that it will not utilize on such DHCR contract award any subcontractor that is identified on the Prohibited Entities List. Additionally, Proposer is advised that should it seek to renew or extend a contract awarded in response to this solicitation, it must provide the same certification at the time the contract is renewed or extended.

During the term of the contract, should DHCR receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, DHCR will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then DHCR shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, seeking compliance, recovering damages, or declaring the Contractor in default.

DHCR reserves the right to reject any proposal, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

22. Freedom of Information Law (“FOIL”)

New York State's Freedom of Information Law (Public Officers Law, Article 6, Sections 84-90), available at: http://www.dos.state.ny.us/coog/index.html, promotes the public’s right to know the process of governmental decision-making and grants maximum public access to governmental records. The proposal of the successful Proposer and the proposals of unsuccessful Proposers may be subject to disclosure under FOIL.
However, pursuant to Section 87(2)(d) of FOIL, a State agency may deny access to those portions of proposals or portions of a successful Proposer’s contract which are "trade secrets" or submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which, if disclosed, would cause substantial injury to the competitive position of the subject enterprise.

Please note that all information that a Proposer may claim as proprietary, copyrighted or rights-reserved is not necessarily protected from disclosure under FOIL.

If there is information in a Proposer’s proposal that a Proposer claims meets the definition set forth in Section 87(2)(d), the Proposer should provide a letter in its Administrative Proposal outlining any specific concerns.

Failure to identify the information which a Proposer believes should be protected by Section 87 (2)(d) may result in such information being disclosed if a request is received. It is a Proposer’s responsibility to consult an attorney with any questions the Proposer may have about New York State's Freedom of Information Law. All work products described herein may also be subject to FOIL disclosure.

The State will not honor any attempt by a Proposer either to designate its entire bid proposal as proprietary and/or to claim copyright protection for its entire proposal.

The Contractor must provide to DHCR all information, records, and other written material it produces, possesses, or relies upon if such material is the object of a legitimate request to DHCR pursuant to the Freedom of Information Law.

23. Negative Findings

A proposal may be rejected at any time during the evaluation process and thereafter if there are any adverse findings that would prevent DHCR from selecting the Proposer. These findings may pertain to: (i) the Primary Contractor; (ii) any firm listed as a partner, sub-consultant, or subcontractor in the proposal; (iii) any owners, primary shareholders, or executive staff in the Primary Contractor or any of its partners; or (iv) any of the principal staff expected to perform or supervise the work outlined in the Scope of Work. Such adverse findings include, but are not limited to:

- Negative findings from the New York State Inspector General, a federal Inspector General or from the U.S. Government Accountability Office, or from an Inspector General in another state;
- Pending or unresolved legal action from the U.S. Attorney General or from an attorney general in New York State or another state;
• Pending or unresolved litigation with the Federal government, any State government, or a local municipality regarding contract performance;
• Arson conviction or pending case;

• A record of substantial building code violations or litigation against properties owned and/or managed by the Proposer or by any entity or individual that comprises the Proposer;
• Past or pending voluntary or involuntary bankruptcy proceeding;
• Conviction for fraud, bribery or grand larceny; or
• Listing on the federal or State excluded parties lists.

If the Proposer believes that any of the adverse findings listed above may be applicable to their firm, or any person or entity partnering with their firm, they should provide a detailed explanation of the finding either in the Proposer Disclosure of Prior Non-Responsibility Determinations Form, as provided in Tab 5 of this RFP, or in an attached sheet. Failure to disclose any relevant findings may result in disqualification of the proposal.

24. Reservation of Rights

DHCR reserves the right to:
• Reject any or all proposals received in response to the RFP;
• Withdraw the RFP at any time, at DHCR’s sole discretion;
• Make an award under the RFP in whole or in part;
• Disqualify any Proposer whose qualifications, conduct and/or proposal fails to conform to the requirements of the RFP;
• Seek clarifications and revisions of proposals;
• Use information obtained through DHCR’s investigation of a Proposer’s qualifications, experience, ability or financial standing, and any material or information submitted by the Proposer in response to DHCR’s request for clarifying information in the course of evaluation and/or selection under the RFP;
• Prior to the contract award, amend the RFP specifications to correct errors or oversights, or to supply additional information, as it becomes available;
• Prior to the contract award, direct Proposers to submit modifications addressing subsequent RFP amendments;
• Change any part of the scheduled timeline;
• Eliminate any mandatory, non-material specifications that cannot be complied with by all of the prospective Proposers;
• Waive any requirements that DHCR deems are not material;
• Negotiate with the successful Proposer within the scope of the RFP in the best interests of the State;
• Conduct contract negotiations with the next responsible Proposer, should DHCR be unsuccessful in negotiating with the selected Proposer;
• Utilize any and all ideas submitted in the proposals received;
• Unless otherwise specified in the solicitation, every offer is firm and not revocable for a period of 60 days from the contract award; and,
• Require clarification at any time during the procurement process and/or require correction of arithmetic or other apparent errors for the purpose of assuring a full and complete understanding of a Proposer’s proposal and/or to determine a Proposer’s compliance with the requirements of the solicitation.

Depending on the nature of the procurement, there may be additional State reserved rights beyond those presented here.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, “the contract” or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORIAL CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original assignment was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or contract established as a centralized contract through the Office of General Services or for a purchase order or other agreement of any kind (hereinafter, “the contract” or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word “Contractor” herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of
any State approved sums due and owing for work done upon the project.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. INTERNATIONAL BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4). 

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION. (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee’s Federal employer identification number, (ii) the payee’s Federal social security number, and/or (iii) the payee’s Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification.  (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.  (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00,
whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor’s equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

January 2014
In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than $1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

23. COMPLIANCE WITH CONSULTANT DISCLOSURE LAW. If this is a contract for consulting services, defined for purposes of this requirement to include analysis, evaluation, research, training, data processing, computer programming, engineering, environmental, health, and mental health services, accounting, auditing, paralegal, legal or similar services, then, in accordance with Section 163 (4-g) of the State Finance Law (as amended by Chapter 10 of the Laws of 2006), the Contractor shall timely, accurately and properly comply with the requirement to submit an annual employment report for the contract to the agency that awarded
the contract, the Department of Civil Service and the State Comptroller.

24. PROCUREMENT LOBBYING. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT. By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at:
http://www.ogs.ny.gov/about/regs/docs/ListofEntities.pdf

Contractor further certifies that it will not utilize on this Contract any subcontractor that is identified on the Prohibited Entities List. Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.

NEW YORK STATE HOUSING FINANCE AGENCY

STATE OF NEW YORK MUNICIPAL BOND BANK AGENCY
TOBACCO SETTLEMENT FINANCING CORPORATION
I. General Provisions

A. The New York State Division of Housing and Community Renewal, New York State Housing Finance Agency, Housing Trust Fund Corporation, New York State Affordable Housing Corporation, State of New York Mortgage Agency, State of New York Municipal Bond Bank Agency and Tobacco Settlement Financing Corporation (individually, “Agency” and collectively, “Agency(ies)” or “Agencies”) are required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all New York State (“State”) contracts, as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to the Agency(ies), to fully comply and cooperate with the Agency(ies) in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, State, and local laws.

C. Failure to comply with all of the requirements herein may result in a finding of non-responsiveness, non-responsibility and/or a breach of contract, leading to the assessment of liquidated damages pursuant to Section VII of this Appendix and such other remedies available to the Agency(ies) pursuant to the Contract and applicable law.
II. Contract Goals

A. For purposes of this Contract, the Agency’s (or Agencies’) overall MWBE participation goal for the Contract is indicated in the solicitation document and the Contract.

B. For purposes of providing meaningful participation by MWBEs on the Contract and achieving the MWBE Contract Goals established in Section II-A of this Appendix, the Contractor should reference the directory of State certified MWBEs at the following internet address: https://ny.newnycontracts.com.

Additionally, the Contractor is encouraged to contact the Division of Minority and Women’s Business Development at (212) 803-2414 to discuss additional methods of maximizing participation by MWBEs on the Contract.

C. The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. [FOR CONSTRUCTION CONTRACTS – The portion of a contract with an MWBE, serving as a supplier that shall be deemed to represent the commercially useful function performed by the MWBE, shall be 60% of the total value of the contract. The portion of a contract with an MWBE, serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE, shall be the monetary value for fees, or the markup percentage, charged by the MWBE]. [FOR ALL OTHER CONTRACTS - The portion of a contract with an MWBE, serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE, shall be 25% of the total value of the contract].

D. The Contractor must document “good faith efforts,” pursuant to 5 NYCRR § 142.8, to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. Such documentation shall include, but not necessarily be limited to:

1. Evidence of outreach to MWBEs;
2. Any responses by MWBEs to the Contractor’s outreach;
3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by the Agency(ies) with MWBEs; and
5. Information describing specific steps undertaken by the Contractor to reasonably structure the Contract scope of work to maximize opportunities for MWBE participation.

III. Equal Employment Opportunity ("EEO")

A. The provisions of Article 15-A of the Executive Law and the rules and regulations promulgated thereunder pertaining to equal employment opportunities for minority group members and women shall apply to the Contract.

B. In performing the Contract, the Contractor shall:

1. Ensure that each contractor and subcontractor performing work on the Contract shall undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.

2. The Contractor shall submit an EEO policy statement to the Agency(ies) within seventy-two (72) hours after the date of the notice by the Agency(ies) to award the Contract to the Contractor.

3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, the Agency(ies) may require the Contractor or subcontractor to adopt a model statement (see PROC-4 Form – Equal Employment Opportunity Policy Statement, hyperlinked herein).

4. The Contractor’s EEO policy statement shall include the following language:

   a. The Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, national origin, sex, age, disability, or marital status, will undertake or continue existing EEO programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination, and shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force.

   b. The Contractor shall state in all solicitations or advertisements for employees that, in the performance of the contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.
c. The Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union, or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor's obligations herein. (Please note that this requirement is only applicable for a contract with an anticipated total expenditure in excess of $250,000).

d. The Contractor will include the provisions of Subdivisions (a) through (c) of this Subsection 4 and Paragraph “E” of this Section III, which provides for relevant provisions of the Human Rights Law, in every subcontract in such a manner that the requirements of the subdivisions will be binding upon each subcontractor as to work in connection with the Contract.

C. PROC-1 Form – EEO Staffing Plan

To ensure compliance with this Section, the Contractor shall submit a **Staffing Plan PROC-1 form**, hyperlinked herein, to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the Staffing Plan PROC-1 form and submit it as part of their bid or proposal or within a reasonable time, as directed by Agency(ies).

D. PROC-5 Form – EEO Workforce Utilization Report

1. The Contractor shall submit an **EEO Workforce Utilization Report PROC-5 form**, hyperlinked herein, and shall require each of its subcontractors to submit an EEO Workforce Utilization Report PROC-5 form, on a quarterly basis during the term of the Contract, in accordance with the instructions indicated in the Contract and the **Instructions**, hyperlinked herein. *(Please note that for Construction Contracts, the Contractor shall submit a Workforce Utilization Report, and shall require each of its subcontractors to submit a Workforce Utilization Report, on a monthly basis during the term of the Contract, in accordance with the instructions indicated in the Contract and the Instructions, hyperlinked herein).*

2. Separate forms shall be completed by the Contractor and any subcontractors.

3. Pursuant to Executive Order #162, Contractors and subcontractors are also required to report the gross wages paid to each of their employees for the work performed by such employees on the Contract on a quarterly basis.

E. The Contractor shall comply with the provisions of the Human Rights Law, and all other State and Federal statutory and constitutional non-discrimination provisions. The Contractor and its subcontractors shall not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

IV. MWBE Utilization Plan, PROC-2 Form

A. The Contractor represents and warrants that the Contractor has submitted an **MWBE Utilization Plan, PROC-2 form**, hyperlinked herein, or shall submit an MWBE Utilization Plan at such time as shall be required by the Agency(ies), provided, however, that the Contractor may arrange to provide such evidence via a non-electronic method to the Agency(ies), either prior to, or at the time of, the execution of the Contract.

B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.
C. The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, the Agency(ies) shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. MWBE Waiver Form, PROC-3

A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated in the solicitation document and the Contract, the Contractor may submit a request for a waiver to the Agency(ies). Such waiver request must be supported by evidence of the Contractor’s good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, the Agency(ies) shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

B. If the Agency(ies), upon review of the MWBE Utilization Plan, quarterly MWBE Cumulative Payment Statement Reports described in Section VI, or any other relevant information, determines that the Contractor is failing or refusing to comply with the MWBE Contract Goals, and no waiver has been issued in regards to such non-compliance, the Agency(ies) may issue a notice of deficiency to the Contractor. The Contractor must respond to the notice of deficiency within seven (7) business days of receipt. Such response may include a request for partial or total waiver of MWBE Contract Goals.

VI. Quarterly MWBE Cumulative Payment Statement Report, PROC-6

The Contractor is required to submit a quarterly MWBE Cumulative Payment Statement Report, PROC-6 form, hyperlinked herein, in accordance with the instructions indicated in the Contract, provided, however, that the Contractor may arrange to provide such report via a non-electronic method to the Agency(ies) by the 10th day following the end of each quarter (i.e., March 31st, June 30th, September 30th and December 31st) during the term of the Contract.

VII. Liquidated Damages - MWBE Participation

A. Where the Agency(ies) determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE
participation goals, the Contractor shall be obligated to pay liquidated damages to the Agency(ies).

B. Such liquidated damages shall be calculated as an amount equaling the difference between:
   1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
   2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by the Agency(ies), the Contractor shall pay such liquidated damages to the Agency(ies) within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

This organization will and will cause its contractors and subcontractors to take good faith actions to achieve the M/WBE contract participations goals set by the State for that area in which the State-funded project is located, by taking the following steps:

Encouraging Use of New York State Businesses in Contract Performance

New York State businesses have a substantial presence in State contracts and strongly contribute to the economics of the State and the nation. In recognition of their economic activity and leadership in doing business in New York State, bidders/proposers for this Agency procurement are strongly encouraged and expected to consider New York State businesses in the fulfillment of the requirements of the Agency awarded contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles.

Bidders/proposers need to be aware that all authorized users of the awarded contract will be strongly encouraged, to the maximum extent practical and consistent with legal requirements, to use responsive New York State businesses in purchasing commodities that are of equal quality and functionality and in utilizing services and technology. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses, consistent with current State law.

Utilizing New York State businesses in Agency contracts will help create more private sector jobs, rebuild New York’s infrastructure, and maximize economic activity to the mutual benefit of the contractor and its New York State business partners. New York State businesses will promote the contractor’s optimal performance under the contract award, thereby benefiting the public sector programs that are supported by associated procurements.

Public procurements can drive and improve the State’s economic engine through promotion of the use of New York businesses by its contractors. Instructions

General information
Tax Law section 5-a was amended, effective April 26, 2006. On or after that date, in all cases where a contract is subject to Tax Law section 5-a, a contractor must file (1) Form ST-220-CA, Contractor Certification to Covered Agency, with a covered agency, and (2) Form ST-220-TD with the Tax Department before a contract may take effect. The circumstances when a contract is subject to section 5-a are listed in Publication 223, Q&A 3. See Need help? for more information on how to obtain this publication. In addition, a contractor must file a new Form ST-220-CA with a covered agency before an existing contract with such agency may be renewed.

Note: Form ST-220-CA must be signed by a person authorized to make the certification on behalf of the contractor, and the acknowledgement on page 2 of this form must be completed before a notary public.

When to complete this form
As set forth in Publication 223, a contract is subject to section 5-a, and you must make the required certification(s), if:

i. The procuring entity is a covered agency within the meaning of the statute (see Publication 223, Q&A 5);

ii. The contractor is a contractor within the meaning of the statute (see Publication 223, Q&A 6); and

iii. The contract is a contract within the meaning of the statute. This is the case when it (a) has a value in excess of $100,000 and (b) is a contract for commodities or services, as such terms are defined for purposes of the statute (see Publication 223, Q&A 8 and 9).

Furthermore, the procuring entity must have begun the solicitation to purchase on or after January 1, 2005, and the resulting contract must have been awarded, amended, extended, renewed, or assigned on or after April 26, 2006 (the effective date of the section 5-a amendments).
