The Housing Trust Fund Corporation (HTFC) announces the availability of approximately \$10 million of Federal funds for the following programs:

- **\$10** million - NYS Community Development Block Grant (CDBG) funding for Open Round Economic Development, Small Business, and Microenterprise

NYS COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

Program Description

The New York State Community Development Block Grant Program (NYS CDBG) is a federally funded program administered by the Housing Trust Fund Corporation's (HTFC) Office of Community Renewal (OCR). The Economic Development, Small Business, and Microenterprise programs will provide resources to non-entitlement communities for the purpose of assisting for-profit businesses that create or retain permanent jobs that are principally held by or made available to low-moderate income persons.

CDBG Eligible Applicants

Eligible applicants include non-entitlement Villages, Towns, Cities or Counties throughout New York State, excluding metropolitan cities and urban counties that are HUD designated Entitlement communities. Eligible applicants must apply on behalf of the business seeking CDBG funds, Awards are made to the applicant community and not directly to businesses.

CDBG Eligible Activities

Funding is available for the following activities:

- To provide financial assistance to businesses for CDBG eligible activities which will result in the creation or retention of permanent job opportunities principally benefitting low- and moderate-income persons. For microenterprises, an owner that qualifies as a low- and moderate-income person also meets the requirements of the CDBG Program.
- To construct publicly owned infrastructure improvements, which are necessary to accommodate the creation, expansion or retention of a business which will result in the creation or retention of permanent job opportunities principally for low- and moderate-income persons.
- To provide resources to promote small business entrepreneurship as a vehicle for sustainable economic development and growth. For the purposes of the Small Business Assistance program, a small business is defined as a commercial enterprise with twenty-five (25) or fewer full-time equivalent employees at the time of application.
- To foster the development or expansion of microenterprises or by providing grants in conjunction with capacity building and entrepreneurial assistance. For the purposes of the Microenterprise program, a microenterprise is defined as a business with five (5) or fewer employees including the owner at the time of application.

Eligible uses of NYS CDBG funds include but are not limited to acquisition of real property; financing of machinery, furniture, fixtures and equipment; building construction and renovation; working capital; inventory; and employee training expenses. Costs associated with construction, building or other improvements are not eligible uses under the Microenterprise activity.

2020 CDBG ED Funding Limits – Counties, Towns, Cities, and Villages

Economic Development	\$100,000	\$750,000
Small Business	\$25,000	\$100,000
Microenterprise	\$100,000	\$300,000

These are provided as guidelines for expected award limits. CDBG is intended as gap financing and only that amount needed to ensure project feasibility should be requested. Larger awards may be approved based on demonstrated need and capacity to complete proposed activities within a 24-month term.

Application for Funding

Applications will be accepted, and awards made, on a rolling basis through December 31, 2021. Applicants are strongly advised to consult with OCR Economic Development staff to determine if the proposed economic development project meets CDBG and OCR program requirements prior to submission of an application. Interested applicants must complete a two-step process, beginning with a pre-application form within the NYS Consolidated Planning Application (CFA), accessible at <https://apps.cio.ny.gov/apps/cfa/>. Based upon the results of the consultation and the pre-submission information, the applicant may be invited to submit a full application for funding within the CFA. Projects will be evaluated against threshold criteria including the ability to meet job creation and HUD underwriting requirements, to demonstrate project viability, and to present firm funding commitments at the time of full application. Applicants may submit pre-applications forms any time upon the posting of this NOFA. All application forms and program guidance is available on the NYS Homes and Community Renewal website, <https://hcr.ny.gov/community-development-block-grant-economic-development-program>
