

CDBG Attachment Checklist - CFA

This checklist is provided for the convenience of Applicants submitting Public Infrastructure, Public Facility or Community Planning projects through the NYS Consolidated Funding Application (CFA) process. **The list below may not be all inclusive;** therefore, Applicants will need to determine whether additional materials must be included in their application. "Optional" attachments, or those that are not required, may ultimately be necessary to provide the best responses to specific questions within the CFA. Please review each question closely to determine whether additional information must be attached.
