Electronic Lease Offer: Tenant's Voluntary Consent

General Instructions

Pursuant to Chapter 74 of the Laws of 2022 and Section 309 of the State Technology Law, owners of buildings and apartments subject to rent stabilization must obtain the voluntary consent of the tenant prior to the use of electronic records to execute a lease or renewal lease. The use of electronic records and signatures is voluntary and cannot be required by an owner.

The information entered on the Consent form must be consistent with the information entered in the lease offering to the tenant. Inconsistencies in information provided on this form and any future submissions to DHCR may be referred for internal review and appropriate administrative action.

Please refer to the Operational Bulletin 2022-1 (hcr.ny.gov/operational-bulletin-2022-1) for additional detailed information.

Filing Instructions

General:

Owners and tenants choosing to execute leases electronically along with all lawful riders, including but not limited to the New York City Rent Stabilized Lease Rider and/or the ETPA Standard Lease Addenda, will still be bound by the timeframes stipulated by the regulations pertaining to the window periods to offer and respond to a lease offering. Both parties will be required to retain proof of service and response as described in the Operational Bulletin 2022-1 to the electronic lease offering. Additionally, proof may be required in a proceeding before DHCR and/or the courts. **For specifics on the window periods, see DHCR Fact Sheet #4: Lease Renewal in Rent Stabilized Apartments.**

Please Note: The consent given in this form will apply to all subsequent lease renewal offers during the tenant's tenancy. Both owners and tenants retain the right to opt out of future electronic lease offerings by providing written notice to the other party. Should either the owner or tenant information change, both owners and tenants are required to provide written notice to the other party, and a new consent form should be completed.
