

# Homes and Community Renewal

## *Job Opportunities at New York State Homes and Community Renewal*

### **Project Manager**

**New York State Homes and Community Renewal (HCR)** fosters the creation and preservation of high quality affordable housing, while working strategically to revitalize neighborhoods and communities throughout the Empire State. Under the leadership of Governor Kathy Hochul and Commissioner RuthAnne Visnauskas, **HCR** is a vibrant, innovative agency that integrates and leverages New York State's housing resources. We have offices in New York City, Albany, Buffalo and Syracuse, and employ a diverse workforce of professionals who are hard-working and committed to serving low and moderate income families. Our mission is far reaching, encompassing single and multifamily housing finance, home improvement, rent regulation, housing subsidies, and community development. We partner regularly with a variety of public and private stakeholders.

Achieving this mission requires a wide range of skills and backgrounds in public policy, administration, real estate, architecture, finance, law and many other areas of expertise. We seek to provide a workplace environment that is productive, flexible, accountable, ethical and caring. Our employees are empowered to make a difference where they live and work. We offer competitive pay and a comprehensive benefits package, including paid leave, health, dental, vision, retirement and family-friendly policies.

**The Statewide Asset Management Unit** is responsible for the asset management and compliance monitoring of the Agency's existing housing loan portfolio. This portfolio has been financed under various loan and subsidy programs including the Secured Loan Rental Program, the Section 8 Program, HUD Section 236, and the Mobile Home Cooperative Program. The Asset Manager will be reporting to the Vice President or Asst. Vice President.

#### **Duties & Responsibilities:**

- Project with knowledge of data management. The role entails maintaining a property management system to ensure consistency and accuracy of the information. Maintain business relationships with a software company.
- Develop and implement recommendations or action plans to reduce risk and enhance physical and financial performance of portfolio projects.
- Analyze portfolio properties data
- Identify and manage data issues with portfolio property on ProLink software database and any other OHP software.
- Partner with ProLink to resolve portfolio property data issues
- Facilitate business inquires with Asset Manager and ProLink Helpdesk and provide direct technical assistance to the software
- Support Asset Management business team area with maintaining portfolio property information
- Perform testing of new software release updates
