3. 1-6 Economic Development Request for Funds
NYS Community Development Block Grant (CDBG) 2022 Housing Program

Housing Trust Fund Corporation
Office of Community Renewal (OCR)

The OCR is pleased to announce that the 2022 CDBG housing program is now accepting applications.

Applications will be available through CDOL, the deadline to apply is Friday, August 26, 2022

An application webinar will be held on Tuesday, June 14, 2022, at 1:00pm.

Please visit the OCR website today to find out more and to register for the webinar
The OCR is no longer accepting project consultations or applications for CDBG-CV CARES Act funding.

Projects that were given the ‘green light’ to submit have until the deadline provided to submit a complete application.
NYS CDBG Program

CDBG Public Facility, Public Infrastructure and Community Planning Application materials are available now. Applications for Public Infrastructure, Public Facility and Community Planning projects will be accepted until 4:00 pm on Friday July 29, 2022.

CDBG Economic Development, Small Business & Microenterprise Application materials are available now. Applications for Open Round Economic Development and Microenterprise applications will be accepted throughout 2022 with rolling awards.
Program Summary
CDBG Program Summary

Overview

Develop viable communities by providing decent housing and a suitable living environment principally for persons of low-and-moderate income.

NYS must ensure that at least 70% of its CDBG grant funds are used for activities that benefit persons of low-and-moderate income (at or below 80% of median) and meet one of the following National Objectives:

- Benefit low-and-moderate income persons or families; or
- Aid in the prevention or elimination of slums or blight; or
- Meet an urgent community development need
CDBG Program Summary

Overview

- User defined area of need
- Two (2) year contract term, with 14 months for planning
- Eligible Applicants: Units of Local Government with populations of less than 50,000 and counties with populations of less than 200,000
  - Refer to the [list of eligible communities](#) on the website, select Program Guidelines
  - Refer to the [LMI data tool](#) on the website

Annual Competitive Applications

- Public Water
- Sewer
- Community Planning

Open Round Application

- Economic Development
- Small Business Assistance
- Microenterprise

CDBG Program Summary
Funding Limits, continued

**Economic Development**
- Up to $15,000 per job, maximum CDBG of $750,000
- Up to 40% of total project cost

**Small Business Assistance**
- Minimum $25,000
- Maximum $100,000
- Up to 40% of total project cost
- 20% owner equity
- 1 FTE for every $25,000

**Microenterprise**
- $5,000 to $35,000 per business
- $300,000 total per application

For Open Round Applications
Program Income

Gross income generated by Recipient or Subrecipient from the use of CDBG funds, such as:

- Sale/lease/disposition of property purchased or improved with CDBG
- Gross income of rental property constructed/improved with CDBG
- Principal and interest payments on CDBG loans
- Interest earned
Program Income (PI) Procedures

- OCR has revised program income policy

- After March 31st 2019 all program income generated from NYS CDBG must be returned to the OCR

Moving Forward:

- All revolving loan revenues generated from NYS CDBG are considered program income

- All non-revolving loan revenues generated from NYS CDBG must be held until the end of the State’s fiscal year (3/31) – “Treated as PI until it is not”

- Recipients will remit PI on monthly (for revolving loans) and annual basis (other PI)

Scoring Criteria
Scoring Criteria

➢ REDC may review all applications, but will not score applications

➢ Projects must score at least 45 points for financial capacity and administrative capacity, and an overall score for all criteria of at least 65 to be considered for funding.
CDBG Application Process

Scoring Criteria

Applications competitively rated and scored on:

- A complete description of project and proposed activity
- Severity of need, and impact on identified need
- Project feasibility, all financing in place
- Ability to implement upon award
- Ability to complete in 24-months
- Administrative capacity
- Public benefit and support for the proposed activity
- Reasonableness of project costs, including program delivery & administration
- CDBG and administrative performance history, if any
Application Tips
CDBG Application Process

Application Tips

Only eligible units of general local government may apply for CDBG assistance

Tips:

➢ Use the correct application
➢ Use the submission checklist to ensure completeness
➢ Document citizen participation (public hearing)
➢ Key deficiencies: failing to show administrative capacity, adequate funding, budget inconsistencies, readiness
➢ Don’t take choice limiting actions prior to award and clearance
Common Deficiencies
CDBG Application Process

Common Deficiencies

- Public hearing is not held prior to application or was not held by the legislative body.
- For guidance on holding a remote public hearing, contact the Committee on Open Government.
- Activity does not meet a National Objective.
- Applicant is not an eligible unit of local government.
CDBG Application Process

Common Deficiencies

➢ Project need is not demonstrated, include quantifiable terms, facts and figures.

➢ Need for CDBG assistance is not clearly defined.

➢ Funding commitments provided are insufficient.

➢ Evidence of commitment letters for all sources of leveraged funds contributing to the project is not provided or not adequate.

➢ Budget narratives do not match budget tables, and budget presented is not feasible.

➢ Program readiness is not evident, including community interest, eligible projects and funding commitments.

➢ **Administrative capacity** is not described, including staff roles and administrative procedures.
