**Part A**

**Tenant Please Take Notice That:**

1. The Maximum Rent will be adjusted, not to exceed the average of the previous five rent stabilized guideline board adjustments; and changed from \$ \_\_\_\_\_ to \$ \_\_\_\_\_ per month for a two-year period. This adjustment will begin on the next rent payment date following sixty days from the date of mailing of this Notice by certified mail, or from the date of personal service on the tenant, unless and until the New York State Division of Housing and Community Renewal (DHCR) issues a further notice or order changing the adjusted rents.
2. This Notice is authorized by DHCR under the Emergency Housing Rent Control Law, under Section 33-8 of the Rent and Eviction Regulations and as provided in Operational Bulletin 110 and its supplements and as amended by the Housing Stability and Tenant Protection Act of 2019.
3. **The owner certifies that:**
  - a. In the preceding two-year period, there has been a significant and unavoidable increase in operating costs (e.g., real estate taxes, heating fuel, utility charges, repairs, replacements, and/or labor) with no increase in the Maximum Rent to compensate for the cost increase, and that he/she has owned the premises in question for the past two years. All records of such increased costs, for the period in question, will be made available to DHCR upon request.
  - b. All essential services required by law are being maintained, and there are no violations in effect of municipal, county, state, or federal laws, relating to the maintenance of these services. Such essential services **will continue to be maintained** and/or an agreement with the enforcement authority, suspending any violation(s) regarding these services and providing for maintenance, restoration, and improvement of the building, is in effect and is being complied with.
  - c. The Maximum Rent for the housing accommodation is the rent on record with DHCR. The adjustment of this rent, as described in this Notice, will be terminated or reduced, if there is a significant reduction in operating expenses or as the owner may be otherwise directed by DHCR. Notice of any such reduction or termination will be given by the owner to tenant in writing and a copy will be provided to DHCR.
  - d. The Maximum Rent for this housing accommodation, as adjusted under this Notice, does not exceed:
    - **the average legal regulated rent** for those apartments, in this building or building complex, having the same number of rooms, services, equipment or improvements as the subject apartment, but are under the Emergency Tenant Protection Act and **not** under the Emergency Housing Rent Control Law; or
    - **the rent for any apartment**, in this building or building complex, having the same number of rooms, services, equipment or improvements as the subject apartment, but are **not** under the Emergency Housing Rent Control Law or the Emergency Tenant Protection Act.

**Affirmation**

I affirm that the information herein is true and I understand that this Notice will be accepted for all purposes as an affidavit, and, if it contains a material false statement, shall subject me to the same penalties for perjury as if I had been duly sworn.
