Downstate Development Director

New York State Homes and Community Renewal (HCR) fosters the creation and preservation of high quality affordable housing, while working strategically to revitalize neighborhoods and communities throughout the Empire State. Under the leadership of Governor Kathy Hochul and Commissioner RuthAnne Visnaukas, **HCR** is a vibrant, innovative agency that integrates and leverages New York State's housing resources. We have offices in New York City, Albany, Buffalo and Syracuse, and employ a diverse workforce of professionals who are hard-working and committed to serving low and moderate income families. Our mission is far reaching, encompassing single and multifamily housing finance, home improvement, rent regulation, housing subsidies, and community development. We partner regularly with a variety of public and private stakeholders.

Achieving this mission requires a wide range of skills and backgrounds in public policy, administration, real estate, architecture, finance, law and many other areas of expertise. We seek to provide a workplace environment that is productive, flexible, accountable, ethical and caring. Our employees are empowered to make a difference where they live and work. We offer competitive pay and a comprehensive benefits package, including paid leave, health, dental, vision, retirement and family-friendly policies.

As a result of Governor Hochul's historic \$25 billion plan to create and preserve over 100,000 affordable housing units across the state over 5 years, HCR is always seeking to fill a wide variety of positions. Please see our website www.hcr.ny.gov for more information.

The Office of Multifamily Finance & Development actively engages with a range of partners including for-profit, and not for profit borrowers, municipalities, lenders, investors and other funding entities to leverage Low Income Housing Tax Credits, tax exempt bonds, single family lending programs, and a multitude of State funded programs. Finance & Development has primary responsibility for implementing many of the initiatives under the housing plan.

The Multifamily Finance division offers financing to encourage a wide range of affordable housing, including preservation and rehabilitation of existing affordable multifamily rental housing, new construction of affordable multifamily rental housing for households of all ages, and mixed income developments for the creation of affordable multifamily rental housing in high-opportunity and high cost rental markets. They oversee capital fund programs that are matched with both the 4% and 9% LIHTC tax credit programs.
