OGS Contract	For Lot 3 Vendors that are not a part of Lot 4, will there be an easy, expedited process to now be added to Lot 4?	OGS will prioritize the addition of Lot 4 for vendors responding to this RFQ on a first come first served basis. Vendors will still be expected to meet all of the requirements for a Lot add. Vendors submitting incomplete requests will go to the back of the line. OGS is not responsible for vendors missing the opportunity for failure to complete the add request properly	Pre-bid Conference
