**A. INTRODUCTION**

The Housing Trust Fund Corporation (HTFC) invites eligible not-for-profit organizations to submit applications for participation in the Neighborhood Preservation Program or the Rural Preservation Program (N/RPP).

These programs, funded by the State of New York, are administered by the Housing Trust Fund Corporation’s (HTFC) Office of Community Renewal (OCR) and provide administrative funding to community based not-for-profits across the State engaged in activities related to the preservation, stabilization, or improvement of neighborhoods or rural areas. Organizations participating in these programs are known as “preservation companies.”

Preservation companies utilize the administrative funds provided by the N/RPP to deliver services and bolster community development efforts in their designated service areas. NRPP funds do not support capital projects, administrative costs only.

**B. AVAILABLE FUNDING**

HTFC will make available State Fiscal Year (SFY) 2022-23 funds through this RFA. This amount is a guideline for expected awards and the HTFC reserves the right to award additional or no funds based on resource availability and applications received.

| <b>Program</b>                                  | <b>Estimated Funding</b> |
|---|--------------------------|
| Neighborhood Preservation Program (four awards) | \$47,313.44              |
| Rural Preservation Program (one award)          | \$44,913.80              |

Funding is limited to half of a standard NPP or RPP award for the 2022-23 Program Year. This is a six-month contract, but successful applicants will be eligible for the NPP / RPP renewal application to participate for the full award offered in the 2023-24 Program Year.

**C. APPLICATION DEADLINE**

Application Open Date: Wednesday, December 15, 2022  
Application Deadline Date: Tuesday, January 31, 2023

The application deadline is firm as to date and hour. In the interest of fairness to all applicants, applications received after the specified date and time will be deemed ineligible and will not be considered for funding. Applicants should make early submission to avoid risks of ineligibility resulting from unanticipated delays or other delivery related problems.

**D. SUBMITTING AN APPLICATION**

Applications and attachments must be submitted via email to [NRPP@hcr.ny.gov](mailto:NRPP@hcr.ny.gov) by the above stated deadline. Include “2022 NOFA” in message subject line.

Applicants may request, based on demonstrated need, to submit a paper application in lieu of using email. Requests may be emailed to [NRPP@hcr.ny.gov](mailto:NRPP@hcr.ny.gov) or mailed to NYS

Homes and Community Renewal, Office of Community Renewal, Hampton Plaza, 38-40 State Street, 4th Floor South, Albany, NY 12207.

## 2. **Eligible Service Areas**

Proposed service areas must meet the statutory definition for eligible service area and must be identified as a targeted unserved area.

### Statutory Language

#### **Neighborhood Preservation Program (NPP)**

Article XVI of NYS Private Housing Finance Law (PHFL) is the enabling legislation for the NPP. Article XVI states:

(a) “That the geographic boundaries...define a recognized or established neighborhood or area within the municipality.

(b) “That the demographic and other relevant data pertaining to such neighborhood indicate that the neighborhood has sustained physical deterioration, decay, neglect or disinvestment, that a substantial proportion of the residential population that the neighborhood preservation company proposes to assist through its activities is of low income and that such neighborhood is in need of active intervention to affect its preservation, stabilization or improvement.”

“Persons of low income” shall mean individuals and families whose annual incomes do not exceed ninety per cent of the median annual income for all residents of the municipality within which they reside.”

#### **Rural Preservation Program (RPP)**

Article XVII of NYS Private Housing Finance Law (PHFL) is the enabling legislative for the RPP. Article XVII states:

(a) “That the region proposed to be served by the applicant is an appropriate portion of the rural area of the state for the performance of activities pursuant to this article by a corporation.

(b) "That such region contains significant unmet housing needs of persons of low income, that a substantial portion of its population consists of such persons, and that the housing stock in the region, because of its age, deterioration, or other factors, requires improvement in order to preserve the communities within the region."

"Persons of low income" shall mean individuals and families whose annual incomes do not exceed ninety per cent of the median annual income for all residents of the region within which they reside or a larger area encompassing such region for which median annual income can be determined."

An evaluation of the current program participants has identified areas where program attrition has resulted in an area being unserved or underserved. An underserved area may be served by one or more preservation companies, but demand/need for preservation activities remains unmet.
