Supportive housing is permanent, affordable housing with on-site support services to attend to the needs of the most vulnerable New Yorkers, including the formerly homeless and disabled. Sixty percent of units in this project are supportive housing set-asides for formerly homeless individuals or families with special needs, who are referred by city agencies. The remaining forty percent of units in the building are for low-income households and units are made available to the public through lottery. The units listed in this notice are only those made available to the general public.
