

# Mt. Vernon Healthy Homes Program Program Fact Sheet

August 23, 2022

## **GOSR Mt. Vernon Healthy Homes Program**

*This program is administered by the NYS Governor's Office of Storm Recovery (GOSR). It is federally funded through the Community Development Block Grant - Coronavirus (CDBG-CV), which is administered by the US Department of Housing and Urban Development (HUD). The Mt. Vernon Healthy Homes Program (the Program) will assist eligible households and homeowners in Mt. Vernon.*

## **What assistance options offered by the Program?**

- Water and sewage line replacement
- Damaged pipe repair
- Pipe insulation
- Sewage back-up prevention
- Sewer/wastewater flood damage repair

## **How can I be considered eligible to participate in the Program?**

The application process will guide applicants through any eligibility criteria. The Program is currently open to residents of the City of Mount Vernon and is targeted to assist owners of homes that are the most frequently impacted by the city's longstanding wastewater issues. Eligibility criteria include:

- Ownership of a residential property in the City of Mount Vernon
- Certain income limits based on household size
- Demonstrated need for repair or mitigation work related to wastewater issues
- United States citizen or Resident Alien in household

While the homeowner must be the primary applicant to receive services, we encourage any Mount Vernon homeowners impacted by these issues to complete an interest form. To participate in the program, please fill out an [application](#).

## **What documents must I provide to participate in the Program?**

Please provide the required documents below. Additional documents may be requested:

- State Issued Photo ID
- Proof of your household income
- Proof of Home Ownership
- Evidence that one member of your household is a U.S. citizen or Resident Alien
  - Note: The Program will not collect information on the Immigration status of every household member.
- Right of Entry Form
- Consent and Release Form

## **What am I required to do as a participant in the Program?**

You must agree to allow the Program to perform mitigation work at your property. You must work with the Program to comply with any and all environmental requirements.
