This building is being financed through the Supportive Housing Loan Program (SHLP) of the New York City Department of Housing Preservation and Development (HPD), as well as HFA bonds, HFA subsidy, Reso A funds, and Low-Income Housing Tax Credit (LIHTC) equity. Supportive housing is permanent, affordable housing with on-site support services to serve the needs of the most vulnerable New Yorkers, including the formerly homeless and disabled. Sixty two percent of units in supportive housing are set aside for low income or formerly homeless individuals or families with special needs, who are referred by city agencies. The remaining thirty eight percent of units in the building are made available to the public through lottery. The units listed in this notice are only those made available to the general public.

New York City is committed to the principle of inclusivity in all of its neighborhoods, including supporting New Yorkers to reside in neighborhoods of their choice, regardless of their neighborhood of origin and regardless of the neighborhood into which they want to move.
