JOB SUMMARY

The Deputy Counsel - HFA is responsible for managing the attorneys and other professional staff providing legal services for the New York State Housing Finance Agency ("HFA") with a focus on the financing of the HFA multi-family housing projects. HFA, together with the State of New York Mortgage Agency ("SONYMA") and their respective subsidiaries are public benefit corporations of the State of New York and fund their operations through the issuance of bonds. HFA issues tax exempt and taxable bonds to provide low-cost financing to developers to build or renovate rental housing that is available to low-to-moderate income families.

The role of the attorneys in supporting the HFA project financing programs is largely transactional. Attorneys work on HFA bond financed multi-family housing projects from initial financing through permanent conversion following construction completion. HFA projects utilize the Low-Income Housing Tax Credit as well as various subsidy sources and credit enhancement. The Deputy Counsel will be responsible for the oversight and day to day management of the attorneys and other professionals providing legal support on a range of issues relating to the HFA transactional practice including project financing, asset management, special programs, HFA bond issuance and related in-house legal duties.
