Program Manager

Albany, NY

Possible Hybrid Workplace Opportunity

New York State Homes and Community Renewal (HCR) is the State's affordable housing agency, with a mission to build, preserve, and protect affordable housing and increase homeownership throughout New York State.

A Civil Service exam is not required for this position. Candidates must meet the minimum qualifications outlined below to be considered.

This position is on the **Housing Trust Fund Corporation (HTFC)** payroll. HTFC was established as a subsidiary public benefit corporation of the New York State Housing Finance Agency. HTFC's mission is to further community development through the construction, development, revitalization and preservation of low-income housing, the development and preservation of businesses, the creation of job opportunities, and the development of public infrastructures and facilities.

Job Summary:

The Program Manager for Manufactured Housing Initiatives will play a key role in implementing programs that support the creation and preservation of affordable housing across New York State. The position is an opportunity to build upon previous experience in affordable housing to employ innovative solutions to complex housing and community development challenges. The preferred location for this position is Albany, NY, though other locations where HCR has an office may be considered.

Job Duties:

Under the general direction of Senior Staff, including the VP for Small and Mid-Size Development, the Program Manager participates in the review, analysis, and administration of loans and grants primarily for manufactured home communities. The Program Manager may also organize outreach to help make residents and owners of manufactured home communities (including cooperatives) aware of the resources available for individuals and communities. At times, the Program Manager may assist in the implementation of other housing finance programs overseen by the VP for Small and Mid-Size Development.

- Assist in underwriting loans, including detailed pro forma development and analysis of due diligence items.
- Help to manage small portfolio of manufactured home community improvement projects through the funding and development phases, including evaluating applications, coordinating funding-related project submissions (e.g., environmental, legal, design, etc.), and providing technical assistance to eligible program applicants and awardees to ensure comprehension of and compliance with program regulations, requirements, and processes.

Homes and Community Renewal
