NYS Community Development Block Grant (CDBG) CARES Awards

Sorted by Region

Western NY	City of Jamestown	Mixed: Public Facility; Public Services	\$922,300	Non-Entitlement	The City will use NYS CDBG CARES Act funding to increase capacity for behavioral and mental health services through public services and physical improvements and, to launch a vaccine campaign. This project will enable the City to further respond to the emotional, social, and mental impact caused by the pandemic. It will also mitigate the spread and hospitalization for COVID-19.
Western NY	Town of Lancaster	Public Facility	\$367,385	Entitlement	The Town will use NYS CDBG CARES Act funding to make improvements to the Town's Senior Center. Funding will be used to construct a pavilion, construction of a fenced pickleball court, repairment of sidewalk around the perimeter of the facility, and installation of touchless water bottle refilling stations. This project also involves the purchase of a passenger van for Senior Center use. The improvements will enable vulnerable populations to continue to have access to crucial in-person programming in a safe, COVID-19 resilient manner and, respond to the social, physical, and mental consequences that the pandemic.
Western NY	City of Lockport	Mixed: Public Facility & Small Business Assistance	\$845,000	Non-Entitlement	The City will use NYS CDBG CARES Act funding to establish the "Lockport Small Business Restoration Fund" and to make physical improvements to two public facilities. Grant funds will support expenses related to reopening, inventory, cost for staff training, and equipment purchases. The project will also reconfigure space for increased social distancing and air quality improvements at an assisted living facility and a senior center. This project will help offset the negative economic impacts of the COVID-19 pandemic and reduce the transmission of COVID-19 to vulnerable populations.
Western NY	Niagara County	Mixed: Small Business Assistance & Public Services	\$1,766,925	Non-Entitlement	The County will use NYS CDBG CARES Act funding to assist in the establishment of the COVID Relief for Small Business and to expand broadband access. Grant funds will cover expenses related to re-opening, meeting COVID-related health requirements, and marketing a safe and healthy environment. The broadband access project will involve providing and installing broadband equipment for LMI eligible households. This project will help offset the negative economic impacts of the COVID-19 pandemic and, ensures low-to-moderate income persons access critical virtual services.
Western NY	Town of North Collins	Public Facility	\$211,118	Entitlement	The Town of North Collins will use NYS CDBG CARES Act funds to make improvements at the Town's Senior Center by installing a fitness trail and computer room. The trail and stations will offer a safe outdoor, socially distanced activity for seniors to improve mental health and promote physical health. Increasing accessibility to critical services for seniors will help the facility become more resilient in the event of a future pandemic.
Western NY	City of North Tonawanda	Small Business Assistance	\$287,500	Non-Entitlement	The City will use NYS CDBG-CV funding to provide flexible financial assistance to businesses with 25 or fewer employees that show a clear, demonstratable negative impact on their business from COVID-19. This project will help offset the negative economic impacts of the COVID-19 pandemic.
