(2) The 2025 Series \_\_ Bonds shall be initially issued in the form of a separate single fully registered bond in the amount of each separate stated maturity of the 2025 Series \_\_ Bonds having the same initial CUSIP number. Upon initial issuance, the ownership of such 2025 Series \_\_ Bonds shall be registered in the registry books of the Agency kept by the Trustee in the name of Cede & Co., as nominee of DTC. With respect to 2025 Series \_\_ Bonds registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Agency and the Trustee shall have no responsibility or obligation to any participant of DTC (a “Participant”) or to any person for whom a Participant acquires an interest in 2025 Series \_\_ Bonds (a “Beneficial Owner”). The Trustee shall pay all principal of and premium, if any, and interest on the 2025 Series \_\_ Bonds only to or upon the order of DTC, and all such payments shall be valid and effective to fully satisfy and discharge the Agency’s obligations with respect to the principal of and premium, if any, and interest on the 2025 Series \_\_ Bonds to the extent of the sum or sums so paid. Pursuant to Section 307 of the General Resolution, payments of principal may be made without requiring the surrender of the 2025 Series \_\_ Bonds, and the Agency and Trustee shall not be liable for the failure of DTC or any successor thereto to properly indicate on the 2025 Series \_\_ Bonds the payment of such principal. No person other than DTC shall receive a 2025 Series \_\_ Bond evidencing the obligation of the Agency to make payments of principal of and premium, if any, and interest pursuant to this Supplemental Resolution. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the transfer provisions hereof, the word “Cede” in this Supplemental Resolution shall refer to such new nominee of DTC.

(3) (a) DTC may determine to discontinue providing its services with respect to the 2025 Series \_\_ Bonds at any time by giving written notice to the Agency and discharging its responsibilities with respect thereto under applicable law. Under such circumstances (if there is not a

successor securities depository), 2025 Series \_\_ Bond certificates will be delivered as described in the General Resolution.

(b) The Agency, in its sole discretion and without the consent of any other person, may terminate the services of DTC with respect to the 2025 Series \_\_ Bonds if the Agency determines that: (i) DTC is unable to discharge its responsibilities with respect to the 2025 Series \_\_ Bonds; or (ii) a continuation of the requirement that all of the Outstanding 2025 Series \_\_ Bonds be registered in the registration books kept by the Trustee in the name of Cede & Co., as nominee of DTC, is not in the best interest of the Beneficial Owners of the 2025 Series \_\_ Bonds. In the event that no substitute securities depository is found by the Agency, or restricted registration is no longer in effect, 2025 Series \_\_ Bond certificates will be delivered as described in the General Resolution.

(c) Upon the termination of the services of DTC with respect to the 2025 Series \_\_ Bonds pursuant to subsection 206(3)(b)(ii) hereof, or upon the discontinuance or termination of the services of DTC with respect to the 2025 Series \_\_ Bonds pursuant to subsection 206(3)(a) or subsection 206(3)(b)(i) hereof after which no substitute securities depository willing to undertake the functions of DTC hereunder can be found which, in the opinion of the Agency, is willing and able to undertake such functions upon reasonable and customary terms, the 2025 Series \_\_ Bonds shall no longer be restricted to being registered in the registration books kept by the Trustee in the name of Cede as nominee of DTC, but may be registered in whatever name or names 2025 Series \_\_ Bondholders transferring or exchanging 2025 Series \_\_ Bonds shall designate, in accordance with the provisions of the General Resolution.

(4) Notwithstanding any other provision of the General Resolution to the contrary, so long as any 2025 Series \_\_ Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to the principal of and premium, if any, and interest on such 2025 Series \_\_ Bond and all notices with respect to such 2025 Series \_\_ Bond shall be made and given, respectively, to DTC as provided in the Blanket Issuer Letter of Representation of the Agency addressed to DTC, dated January 23, 2019.

(5) In connection with any notice or other communication to be provided to 2025 Series \_\_ Bondholders pursuant to this 2025 Series \_\_ Resolution by the Agency or the Trustee with respect to any consent or other action to be taken by the 2025 Series \_\_ Bondholders, the Agency or the Trustee, as the case may be, shall establish a record date ("Consent Record Date") for such consent or other action and give DTC notice of such Consent Record Date not less than fifteen (15) calendar days in advance of such Consent Record Date to the extent possible.

**SECTION 207.** Places of Payment. The principal and Redemption Price of the 2025 Series \_\_ Bonds shall be payable at the corporate trust office of The Bank of New York Mellon, as Trustee, located in the City and State of New York, except as otherwise provided in Section 202 of the General Resolution. The semi-annual interest on the 2025 Series \_\_ Bonds shall be payable to the Holder by check or draft mailed to such Holder's address last appearing on the registration books of the Trustee.

(3) The 2025 Series \_\_\_-2 Bonds are subject to redemption, in whole or in part (by lot within a maturity of 2025 Series \_\_\_-2 Bonds identified by the same initial CUSIP number), at any time prior to maturity on or after their 2025 Series \_\_\_-2 Optional Redemption or Tender Date, at a Redemption Price equal to one hundred percent (100%) of the principal amount of such 2025 Series \_\_\_-2 Bonds or portions thereof to be so redeemed or purchased, plus accrued interest to the Redemption Date. (The 2025 Series \_\_\_-2 Bonds while they are Initial Term Rate Bonds are subject to mandatory tender at the direction of the Corporation on or after their 2025 Series \_\_\_-2 Optional Redemption or Tender Date as provided in clauses (1), (3), and (8) of Section C303(A) hereof.)

(4) [(A) The 2025 Series \_\_\_ Bonds are subject to redemption, in whole or in part, at any time prior to maturity at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2025 Series \_\_\_ Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date, from amounts representing: (a) monies received by the Agency from a draw of the full amount remaining to be drawn on the Federal Home Loan Bank of [Atlanta] letter of credit in connection with the 2025 Series \_\_\_ Mortgage Loan for the [\_\_\_\_\_] Project and (b) any other monies made available under the General Resolution in connection with the redemption described in clause (a) above]

(B) The 2025 Series \_\_ Bonds are subject to redemption, at the option of the Agency, in whole or in part, at any time prior to maturity, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2025 Series \_\_ Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date, in an amount not in excess of amounts on deposit in the Bond Proceeds Account and/or the Construction Financing Account representing unexpended proceeds of the 2025 Series \_\_ Bonds not used to finance a 2025 Series \_\_ Mortgage Loan and any other monies made available under the General Resolution in connection with such redemption. (The Agency may establish, as a Discretionary Tender Date or Mode Change Date or Conversion Date for all or a portion of any 2025 Series \_\_-2 Bond, a date that is prior to the then-current Optional Redemption or Tender Date for such 2025 Series \_\_-2 Bond, but only if the aggregate principal amount of all 2025 Series \_\_-2 Bonds for which such date is established as a Discretionary Tender Date, Mode Change Date, or Conversion Date, or two or all of the foregoing, is less than or equal to the aggregate principal amount of 2025 Series \_\_-2 Bonds that the Agency (but for this sentence) would be entitled to redeem on such date pursuant to this Section 208(4)(B) from, or by reason of receipt of, a permitted source referred to in this Section 208(4)(B) but has not theretofore so redeemed, and the amount of 2025 Series \_\_-2 Bonds which the Corporation is so entitled to redeem shall be reduced by the aggregate principal amount, if any, of 2025 Series \_\_-2 as to which a Discretionary Tender Date, Mode Change Date or Conversion Date is so established (and not thereafter cancelled).)

† Stated maturity.

The Sinking Fund Payments specified above shall be deemed to be annual maturities for the purposes of the General Resolution.

Subject to Section 208(7) of this Supplemental Resolution, upon the purchase or redemption of any 2025 Series \_\_ Bonds for which Sinking Fund Payments shall have been established, other than by application of Sinking Fund Payments, an amount equal to the principal amount of the 2025 Series \_\_ Bonds so purchased or redeemed shall be credited toward the next Sinking Fund Payment thereafter to become due with respect to the 2025 Series \_\_ Bonds of such maturity identified by the same initial CUSIP number and the amount of any excess of the amounts so credited over the amount of such Sinking Fund Payment shall be credited by the Trustee against future Sinking Fund Payments in direct chronological order, unless otherwise instructed in writing by an Authorized Officer at the time of such purchase or redemption.

(6) The 2025 Series \_\_-1 Bonds are subject to redemption, in whole or in part, at any time prior to maturity, at a Redemption Price equal to one hundred percent (100%) of the principal amount of the 2025 Series \_\_-1 Bonds or portions thereof to be so redeemed, plus accrued interest to the Redemption Date, from amounts representing (a) a SONYMA Reduction Payment made by the Mortgagor of a 2025 Series \_\_ Project with respect to its 2025 Series \_\_ Mortgage Loan or (b) any other monies made available under the General Resolution in connection with the redemption described in clause (a) above.

Notwithstanding anything to the contrary contained in the General Resolution or this 2025 Series \_\_ Resolution, at the direction of the Agency accompanied by a Cash Flow Statement or Rating Confirmation, (i) all or a portion of the 2025 Series \_\_-1 Bonds may also be redeemed in accordance with the respective redemption provisions described above in connection with Recovery Payments, Voluntary Sale Proceeds or Mortgage Advance Amortization Payments (including, without limitation, SONYMA Reduction Payments) deposited in the Redemption Account derived from or with respect to any Mortgage Loans or Projects financed in connection with a Series of Bonds other than the 2025 Series \_\_ Bonds, and (ii) the Series of Bonds to be redeemed in connection with Recovery Payments or Mortgage Advance Amortization Payments deposited in the Redemption Account derived from or with respect to any 2025 Series \_\_ Mortgage Loans or 2025 Series \_\_ Projects shall be selected as directed by the Agency and need not include the 2025 Series \_\_ Bonds.

(7) Notwithstanding anything to the contrary contained in the General Resolution, in the event of a partial redemption of Bonds in connection with Recovery Payments, Voluntary Sale Proceeds or Mortgage Advance Amortization Payments (including, without limitation, SONYMA Reduction Payments) [or from proceeds of a draw of the full amount remaining to be drawn on the Federal Home Loan Bank of [Atlanta] letter of credit in connection with the 2025 Series \_\_ Mortgage Loan for the [\_\_\_\_\_] Project], the maturity or maturities and initial CUSIP number(s), and the amount thereof, to be so redeemed shall be selected as directed by the Agency in written instructions filed with the Trustee accompanied by a Cash Flow Statement or Rating Confirmation. In the absence of such direction, (i) 2025 Series \_\_ Bonds shall be redeemed in connection with Recovery Payments, Voluntary Sale Proceeds or Mortgage Advance Amortization Payments derived from or with respect to the 2025 Series \_\_ Mortgage Loans [or from proceeds of a draw of the full amount remaining to be drawn on the Federal Home Loan Bank of [Atlanta] letter of credit in connection with the 2025 Series \_\_ Mortgage Loan for the [\_\_\_\_\_] Project], and (ii) the portion of each maturity of, or Sinking Fund Payment on, 2025 Series \_\_-1 Bonds to be redeemed from each Recovery Payment, Voluntary Sale Proceeds or Mortgage Advance Amortization Payment [or proceeds of a draw of the full amount remaining to be drawn

on the Federal Home Loan Bank of [Atlanta] letter of credit in connection with the 2025 Series \_\_ Mortgage Loan for the [\_\_\_\_\_] Project] shall be determined by multiplying the outstanding principal amount of 2025 Series \_\_ Bonds of such maturity, or corresponding to such Sinking Fund Payment, by a fraction (A) the numerator of which is (1) the amount of the principal payments scheduled to be made under the applicable 2025 Series A Mortgage Loan in the semiannual or annual, as the case may be, period ending on the applicable maturity date or Sinking Fund Payment date and beginning after the immediately preceding maturity date or Sinking Fund Payment date, multiplied by (2) the amount of such Recovery Payment, Voluntary Sale Proceeds, Mortgage Advance Amortization Payment or proceeds divided by (3) the total unpaid principal balance of such 2025 Series \_\_ Mortgage Loan, and (B) the denominator of which is the aggregate amount of principal payments scheduled to be made under all 2025 Series \_\_ Mortgage Loans in the semiannual or annual, as the case may be, period.

(8) The provisions of Section 306 of the General Resolution to the contrary notwithstanding, and except as provided in Section 208(9) of this Supplemental Resolution, in the event that any 2025 Series \_\_ Bonds are to be redeemed pursuant to Section 208 of this Supplemental Resolution, the Trustee shall mail a copy of such notice, postage prepaid, not less than twenty (20) days before the Redemption Date (with respect to the 2025 Series \_\_[-1][-2] Bonds only, or on or before such earlier date as is provided in Exhibit C hereto, as applicable), to the registered Holders of any Bonds or portions of Bonds that are to be redeemed at their last addresses, if any, appearing upon the registry books.

(9) The provisions of Section 306 of the General Resolution to the contrary notwithstanding, in the event that any 2025 Series \_\_ Bonds are to be redeemed pursuant to Section 208(3) of this Supplemental Resolution as a result of monies received by the Agency on behalf of a Mortgagor as a Mandatory Prepayment in whole or in part of a Mortgage Loan, the Trustee shall mail a copy of such notice, postage prepaid, not less than one (1) day before the Redemption Date, to the registered Holders of any Bonds or portions of Bonds that are to be redeemed at their last addresses, if any, appearing upon the registry books.

(10) In addition to the selection of maturity of 2025 Series \_\_ Bonds to be redeemed in accordance with the provisions of Sections 303 and 305 of the General Resolution, the Agency or the Trustee, as the case may be, shall also select the initial CUSIP number(s) of the 2025 Series \_\_ Bonds to be redeemed.

(11) Notwithstanding Section 305 of the General Resolution, in the event of a redemption of 2025 Series \_\_ Bonds, the Agency may determine which Subseries of such 2025 Series \_\_ Bonds shall be redeemed.

(12) The 2025 Series \_\_[-1][-2] Bonds are subject to the additional redemption provisions set forth in Section C205 of Exhibit C hereto.

**SECTION 209.** Purchase in Lieu of Redemption. In accordance with Section 308 of the General Resolution, whenever 2025 Series \_\_ Bonds are subject to redemption, they may instead be

purchased, at the election of the Agency, at a purchase price equal to the Redemption Price plus accrued interest to the date of purchase.

When the Trustee receives notice from the Agency of its election or direction to purchase 2025 Series \_\_ Bonds in lieu of redemption, the Trustee will give notice, in the name of the Agency, of the purchase of such 2025 Series \_\_ Bonds. Such notice will specify the maturities and CUSIP numbers of the 2025 Series \_\_ Bonds to be purchased, the date set for such purchase, any conditions precedent to such purchase and the place or places where amounts due upon such purchase will be payable. The provisions of Sections 306 and 308 of the General Resolution to the contrary notwithstanding, not less than twenty (20) days before the purchase date for such 2025 Series \_\_ Bonds, the Trustee shall mail a copy of such notice, postage prepaid, to the registered Holders of any 2025 Series \_\_ Bonds or portions of Bonds which are to be purchased at their last addresses appearing upon the registry books. The 2025 Series \_\_ Bonds to be purchased shall be tendered on the purchase date to the Trustee. Any 2025 Series \_\_ Bonds to be purchased that are not so tendered will be deemed to have been properly tendered for purchase.

SECTION 210. Sale of 2025 Series \_\_ Bonds. The 2025 Series \_\_ Bonds shall be sold at such time and at such price as shall be determined by subsequent or simultaneous resolution of the Members of the Agency, subject to the prior written approval of the State Comptroller or of the Director of the Budget of the State of such sale and the terms thereof if such approval be required by the provisions of the Act.

The Chairman, the President and Chief Executive Officer or any Authorized Officer of the Agency is hereby authorized to make public and to authorize distribution of an Official Statement in the form attached hereto as Exhibit "A", which is hereby approved with such changes, omissions, insertions and revisions as he or she shall deem advisable, and to sign and deliver such Official Statement to the purchasers of the 2025 Series \_\_ Bonds.

SECTION 211. Mortgages and Mortgage Notes Made Subject to Lien of General Resolution. The Mortgages securing, and the Mortgage Notes evidencing, the 2025 Series \_\_ Mortgage Loans are Program Assets hereby made subject to the lien of the General Resolution and, as such, constitute Pledged Property. In accordance with Section 503(1) of the General Resolution, all Revenues held or collected by the Agency or the Trustee shall be deposited upon receipt in the Revenue Fund, except as and to the extent otherwise provided under the terms of the Servicing and Release Agreements.

SECTION 212. 2025 Series \_\_ LOC Payments Accounts. There is hereby created and established for each of the respective 2025 Series \_\_ Mortgage Loans secured by a letter of credit (as identified on Exhibit B hereto), an account in the Revenue Fund called the "2025 Series \_\_ LOC Payments Account". Moneys held in each 2025 Series \_\_ LOC Payments Account shall not be commingled with moneys held in any other Account within the Revenue Fund. During the term of the applicable letter of credit securing such 2025 Series \_\_ Mortgage Loan, the Agency shall (or shall cause the Trustee to) obtain moneys under such letter of credit in accordance with the terms thereof, in a timely manner and in amounts sufficient to pay (or prepay) the principal of and interest and prepayment penalty (if any) on the related 2025 Series \_\_ Mortgage Loan covered by such letter of credit, as such 2025 Series \_\_ Mortgage Loan payments (or prepayments) become due (including, without limitation, scheduled monthly payments

on the applicable 2025 Series \_\_ Mortgage Loan, related SONYMA Reduction Payments, Mandatory Prepayments of the applicable 2025 Series \_\_ Mortgage Loan, and any amounts due upon acceleration of the applicable 2025 Series \_\_ Mortgage Loan following the occurrence of a default under the related Mortgage Note or an event of default under the related Mortgage or related loan documents), and shall deposit such amounts in the applicable 2025 Series \_\_ LOC Payments Account. In addition, the Agency shall draw on such letter of credit in accordance with its terms at least one (1) LOC Business Day, but not earlier than fifteen (15) days, prior to the expiration of such letter of credit, to obtain moneys equal to the outstanding principal balance of the applicable 2025 Series \_\_ Mortgage Loan, plus the lesser of (i) accrued interest thereon or (ii) the maximum amount available under such letter of credit with respect to accrued interest on the applicable 2025 Series \_\_ Mortgage Loan, and shall deposit such amounts in the applicable 2025 Series \_\_ LOC Payments Account.

Any provision of the General Resolution to the contrary notwithstanding, with respect to each 2025 Series \_\_ Mortgage Loan secured by a letter of credit (as identified in Exhibit "B" hereto), all payments of the principal or Redemption Price of, and interest on, the 2025 Series \_\_ Bonds, all purchases of 2025 Series \_\_ Term Bonds pursuant to Section 504(4) of the General Resolution, and all purchases of Bonds pursuant to Section 504(5) of the General Resolution, shall be made with moneys on deposit in the 2025 Series \_\_ LOC Payments Accounts, to the extent amounts on deposit in the 2025 Series \_\_ LOC Payments Accounts are sufficient for such purposes; provided, however, that if a Mortgagor has made its Mandatory Prepayment (and required SONYMA Reduction Payment, if any) and the provider of the letter of credit securing its 2025 Series \_\_ Mortgage Loan has been reimbursed for amounts obtained under such letter of credit to make such Mandatory Prepayment (and required SONYMA Reduction Payment, if any), then, if and to the extent directed by the Agency, (i) payments of interest on the 2025 Series \_\_ Bonds shall be made with other amounts in the Revenue Fund and (ii) proceeds of bonds or other obligations of the Agency, in an amount not exceeding the principal amount of such Mandatory Prepayment (plus the principal amount of such required SONYMA Reduction Payment, if any), shall be (a) exchanged with an equal amount of moneys on deposit in the 2025 Series \_\_ LOC Payments Account for such 2025 Series \_\_ Mortgage Loan and (b) used to pay the principal or Redemption Price of 2025 Series \_\_ Bonds.

In the event that there shall be deposited in a 2025 Series \_\_ LOC Payments Account any payment obtained under or pursuant to the letter of credit securing the related 2025 Series \_\_ Mortgage Loan, and amounts shall be (or shall have been) received by the Trustee from the Mortgagor under such 2025 Series \_\_ Mortgage Loan or other sources, which received amounts are (or were) in payment of amounts satisfied by the payment under or pursuant to such letter of credit, then such amounts received from such Mortgagor or other sources shall be promptly reimbursed by the Trustee to the issuer of such letter of credit to the extent of the amount so obtained under such letter of credit.

The Agency shall hold the letter of credit, if any, securing each 2025 Series \_\_ Mortgage Loan, and cause such letter of credit to be maintained in effect, until (i) moneys have been obtained thereunder sufficient to pay (or prepay) all the principal of and accrued interest and prepayment penalty (if any) on the 2025 Series \_\_ Mortgage Loan covered by such letter of credit or (ii) if earlier, until SONYMA Insurance [or FHA Risk-Sharing Insurance, as the case may be,] is in effect with respect to such 2025 Series \_\_ Mortgage Loan.

SECTION 301. Bond Proceeds Account. Pursuant to paragraph (2) of Section 401 of the General Resolution, the Agency, upon delivery of the 2025 Series \_\_ Bonds, shall pay over and transfer to the Trustee the sum of \$[\_\_\_\_\_] for deposit into the Bond Proceeds Account. Monies so deposited in such Bond Proceeds Account shall be used in accordance with Article IV of the General Resolution to make the Mortgage Loans for the 2025 Series \_\_ Projects listed in Exhibit B attached hereto in the respective amounts set forth in such Exhibit B.

SECTION 302. Application of Monies in Bond Proceeds Account. Upon satisfaction of the provisions of Section 401(3) of the General Resolution, the Agency will (i) transfer monies on deposit in the Bond Proceeds Account to the Construction Financing Account and (ii) transfer the balance, if any, of the monies remaining on deposit in the Bond Proceeds Account for a 2025 Series \_\_ Project promptly upon the final advance under the 2025 Series \_\_ Mortgage Loan for such 2025 Series \_\_ Project in the manner provided in Section 406 of the General Resolution.

SECTION 303. Deposit to Debt Service Reserve Fund. From the proceeds of the 2025 Series \_\_ Bonds, \$[\_\_\_\_\_] shall be deposited in the Debt Service Reserve Fund which, together with other amounts on deposit therein, will at least equal the Debt Service Reserve Fund Requirement.

SECTION 304. Amounts to be Maintained in the Revenue Fund. (A) Pursuant to Section 503(5) of the General Resolution, there shall be maintained in the Revenue Fund, on each interest payment date for the 2025 Series \_\_ Bonds, an amount equal to the principal component of each Mortgagor's monthly Mortgage Repayments with respect to the related 2025 Series \_\_ Project, to the extent not then required to make principal payments or Sinking Fund Payments on the 2025 Series \_\_ Bonds on such date, for the purpose of transferring such amounts to the Debt Service Fund to provide amounts required for making principal payments or Sinking Fund Payments on the 2025 Series \_\_ Bonds on the next succeeding principal payment date for the 2025 Series \_\_ Bonds; provided, however, that notwithstanding the foregoing, such amounts may, at the direction of the Agency, be transferred to the Debt Service Fund to provide amounts required for making interest payments on the 2025 Series \_\_ Bonds to the extent that other amounts to be transferred to the Debt Service Fund on or before each interest payment date are not sufficient to pay the interest on the 2025 Series \_\_ Bonds coming due on such date.

(B) Pursuant to Section 503(5) of the General Resolution, from and after the effective date of SONYMA Insurance (if any) for a 2025 Series \_\_ Project, there shall be maintained in the Revenue Fund an amount equal to the related Mortgagor's monthly Mortgage Repayment with respect to such 2025 Series \_\_ Project for one month as of any date of calculation, for the purpose of transferring such amount to the Debt Service Fund to the extent that other amounts to be transferred to the Debt Service Fund on or before each interest payment date are not sufficient to pay the interest or Sinking Fund Payments on or principal or Redemption Price of the 2025 Series \_\_ Bonds coming due on such date.

(C) [Pursuant to Section 503(6) of the General Resolution, prior to amounts being deposited into the General Reserve Fund, on or before the date that any payment is due with respect to any Subordinated Contract Obligation, after providing for all payments required to be made pursuant to paragraphs (1) through (4) of Section 503 of the General Resolution, the Trustee shall withdraw from the Revenue Fund and pay to the Qualified Hedge Provider and/or the Credit Facility Provider, as the case may be, any amounts due on such Subordinated Contract Obligation.]

### MISCELLANEOUS

SECTION 501. Conformance with Terms of Sale. All of the amounts, rates, arithmetical computations and dates set forth herein shall conform with the terms and provisions of the final purchase agreement or with the proposal of the successful bidder in the event that the 2025 Series \_\_\_ Bonds are sold at public sale.

SECTION 502. Cash Equivalents. Notwithstanding anything to the contrary contained in the General Resolution, the Agency may, at any time, provide to the Trustee one or more Cash Equivalents for deposit in the Debt Service Reserve Fund in an amount not exceeding the amount of the Debt Service Reserve Fund Requirement specified in this Supplemental Resolution. In the event any such Cash Equivalents are so provided in replacement of funds on deposit in the Debt Service Reserve Fund, the Trustee shall make such deposit and transfer funds in an equivalent amount from the Debt Service Reserve Fund to the Revenue Fund.

SECTION 503. Tax Covenants. (a) The Agency hereby covenants that no part of the proceeds of the 2025 Series \_\_\_ Bonds or any other funds of the Agency shall be used directly or indirectly to acquire any "investment property," as defined in Section 148 of the Internal Revenue Code of 1986, as amended (the "Code"), and the Agency shall not use or permit the use of any amounts received by the Agency or the Trustee with respect to the Mortgage Loans for the 2025 Series \_\_\_ Projects in any manner, and the Agency shall not take or permit to be taken any other action, or actions, which would cause any 2025 Series \_\_\_ Bond to be an "arbitrage bond" within the meaning of Section 148 of the Code as then in effect, or the applicable Treasury Regulations promulgated thereunder. In order to assure compliance with the rebate requirements of Section 148 of the Code, the Agency further covenants that it will establish such accounting procedures as are necessary to adequately determine, account for and pay over any amount or amounts required to be paid to the United States in a manner consistent with the requirements of Section 148 of the Code, such covenant to survive the defeasance of the lien enjoyed by any of the 2025 Series \_\_\_ Bonds pursuant to Article XIII of the General Resolution.

(b) The Agency hereby covenants and agrees that it shall neither take any action nor fail to take any action nor, to the extent it has the legal power to do so, permit the Mortgagors of the 2025 Series \_\_\_ Projects to take any action or fail to take any action which, if either taken or not taken, would adversely affect the exclusion from gross income of interest on the 2025 Series \_\_\_ Bonds under Section 103 of the Code and the applicable Treasury Regulations promulgated thereunder. To the extent permitted by law, however, nothing contained herein shall prevent the Agency from issuing, pursuant to the General Resolution, Bonds the interest on which is not excludable from gross income for federal income tax purposes, provided that such issuance will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any 2025 Series \_\_\_ Bonds.

(c) The Agency hereby covenants and agrees to prohibit the Mortgagors of the 2025 Series \_\_\_ Projects or any related party (as defined in Treasury Regulation Section 1.150-1(b)) from purchasing the 2025 Series \_\_\_ Bonds in an amount related to the amount of its Mortgage Loan or loan referred to in Section 508

hereof. The Agency does not waive the right to treat the Mortgages as program investments (as defined in Treasury Regulation Section 1.148-1(b)).

(d) The Agency covenants that it shall take all actions which are necessary to ensure that the 2025 Series \_\_\_ Projects comply with the requirements of Section 142(d) of the Code, including, to the extent required, the requirements of the Treasury Regulations for Residential Rental Housing published in the Federal Register on October 15, 1982 and any other proposed, temporary or final Treasury Regulations applicable to the 2025 Series \_\_\_ Projects. The Agency further covenants that, prior to making or funding any Mortgage Loan for the 2025 Series \_\_\_ Projects with proceeds of the 2025 Series \_\_\_ Bonds, it shall enter into an agreement with the Mortgagor of such 2025 Series \_\_\_ Project which shall require the Mortgagor to covenant that it shall (i) take all actions necessary to ensure that such 2025 Series \_\_\_ Project complies with the aforesaid requirements, and (ii) submit annual reports to the Agency detailing such facts as the Agency determines are sufficient to establish compliance with such requirements. The agreement shall provide further that it may be enforced by the Agency through a cause of action in equity for specific performance, that the burdens and benefits of the agreement shall run with the land upon which such 2025 Series \_\_\_ Project is located, and that the agreement shall be filed or recorded at the time the Mortgage for such 2025 Series \_\_\_ Project is recorded. The Agency shall not be required to comply with any provision in this Section 503 in the event the Agency receives an opinion of Bond Counsel that compliance therewith is not required to maintain the exclusion of interest on the 2025 Series \_\_\_ Bonds from gross income for federal income tax purposes, or in the event the Agency receives an opinion of Bond Counsel that compliance with some other requirements in lieu of a requirement specified in this Section 503 will be sufficient to maintain the exclusion of interest on the 2025 Series \_\_\_ Bonds from gross income for federal income tax purposes, in which case compliance with such other requirements specified in the Bond Counsel's Opinion shall constitute compliance with the requirement specified in this Section 503.

(e) The Agency covenants to include in the agreement with each Mortgagor of each of the 2025 Series \_\_\_ Projects a covenant of the Mortgagor that it will at all times refrain from taking any action which might result in the determination that interest payable on the 2025 Series \_\_\_ Bonds is not excluded from gross income under applicable provisions of the Code and take such action as it may be legally capable of taking which will preserve such exclusion under applicable provisions of the Code of interest payable on the 2025 Series \_\_\_ Bonds. The Agency shall use its best efforts, in good faith, to assure compliance by the Mortgagor of the 2025 Series \_\_\_ Project with such contractual requirements to the extent the same may be required to continue the exclusion from gross income of interest on the 2025 Series \_\_\_ Bonds under the Code.

SECTION 504. Prepayment Premiums or Penalties Not to Constitute Pledged Receipts or Recovery Payments. With respect to the 2025 Series \_\_\_ Mortgage Loans, any prepayment premium or penalty shall not constitute a Pledged Receipt or a Recovery Payment.

SECTION 505. Mandatory Prepayments of 2025 Series \_\_\_ Mortgage Loans to Constitute Pledged Receipts or Mortgage Advance Amortization Payments. With respect to the 2025 Series \_\_\_ Mortgage Loans, (i) the payment in whole or in part of a Mandatory Prepayment on the day before it shall be due or on its due date shall constitute Pledged Receipts, and (ii) the payment in whole or in part of a Mandatory Prepayment prior to the day before it shall be due shall constitute a Mortgage Advance Amortization Payment.

SECTION 506. Certain Amounts Relating to Letters of Credit or Other Credit Enhancements Securing the 2025 Series \_\_\_ Mortgage Loans to Constitute Pledged Receipts or Recovery Payments. With respect to each 2025 Series \_\_\_ Mortgage Loan, amounts obtained under a letter of credit or other credit enhancement securing such 2025 Series \_\_\_ Mortgage Loan or under any agreement entered into by the Agency and the provider of such letter of credit or other credit enhancement (including SONYMA Insurance, if any) in connection with the providing of such letter of credit or credit enhancement in the event of a default on such 2025 Series \_\_\_ Mortgage Loan (i) with respect to scheduled principal and/or interest payments required by such 2025 Series \_\_\_ Mortgage Loan, shall constitute Pledged Receipts, and (ii) other than with respect to scheduled principal and/or interest payments required by such 2025 Series \_\_\_ Mortgage Loan, shall constitute Recovery Payments.

SECTION 507. Assignment of 2025 Series \_\_\_ Mortgage Loans Following Default. Following a default under a 2025 Series \_\_\_ Mortgage Loan, the Agency may, in its discretion [(subject to Section 509 hereof in the case of FHA Risk-Sharing Insurance)], obtain amounts under any letter of credit or other credit enhancement (including SONYMA Insurance, if any) securing such 2025 Series \_\_\_ Mortgage Loan or under any agreement entered into by the Agency and the provider of such letter of credit or other credit enhancement in connection with the providing of such letter of credit or credit enhancement, in accordance with the terms thereof; provided that if the Agency obtains funds in an amount equal to the outstanding principal balance of such 2025 Series \_\_\_ Mortgage Loan, plus the lesser of (i) accrued interest thereon plus an additional sixty (60) days of interest or (ii) the maximum amount available with respect to accrued interest thereon, pursuant to any such letter of credit, credit enhancement (including SONYMA Insurance, if any) or other agreement, the Agency shall [(except if such credit enhancement is FHA Risk-Sharing Insurance)] immediately assign such 2025 Series \_\_\_ Mortgage Loan to or upon the order of the provider thereof free and clear of the lien of the General Resolution, any provision of Section 819 of the General Resolution to the contrary notwithstanding.

SECTION 508. [Certain Amounts Relating to FHA Risk-Sharing Insurance to Constitute Recovery Payments]. [With respect to a 2025 Series \_\_\_ Mortgage Loan insured through FHA Risk-Sharing Insurance, proceeds of FHA Risk-Sharing Insurance shall constitute Recovery Payments.]

SECTION 509. [Covenants with Respect to FHA Risk-Sharing Insurance; Release of 2025 Series \_\_\_ Mortgage Loan]. [ (1) For so long as FHA Risk-Sharing Insurance is in effect with respect to a 2025 Series \_\_\_ Mortgage Loan, (a) legal title to such 2025 Series \_\_\_ Mortgage Loan shall be held by the Agency and no assignment of such 2025 Series \_\_\_ Mortgage Loan pursuant to the last sentence of Section 817 of the General Resolution shall be permitted, (b) the Agency shall remain the mortgagee of record under the FHA Risk-Sharing Insurance contract, (c) the Federal Housing Commissioner shall have no obligation to recognize or deal with anyone other than the Agency with respect to the rights, benefits and obligations of the Agency under the FHA Risk-Sharing Insurance contract, and (c) the Mortgagor of such 2025 Series \_\_\_ Mortgage Loan shall have no obligation to recognize or do business with anyone other than the Agency (and the Agency's servicing agent, if any) with respect to rights, benefits and obligations of such Mortgagor or the Agency under such 2025 Series \_\_\_ Mortgage Loan.

(2) Upon receipt of proceeds of FHA Risk-Sharing Insurance with respect to a 2025 Series \_\_\_ Mortgage Loan, such 2025 Series \_\_\_ Mortgage Loan shall no longer be a Mortgage Loan

within the meaning of the General Resolution and such 2025 Series \_\_ Mortgage Loan (and the Mortgage securing, and the Mortgage Note evidencing, such 2025 Series \_\_ Mortgage Loan) will be free and clear of the pledge and lien of the General Resolution, any provision of Section 819 of the General Resolution to the contrary notwithstanding. The Agency shall comply with and shall not take any action in conflict with the regulations or prescribed mortgage documents of the Federal Housing Administration so as to jeopardize the FHA Risk-Sharing Insurance with respect to a 2025 Series \_\_ Mortgage Loan and shall notify the Federal Housing Administration, on a timely basis, of the occurrence of a default on such 2025 Series \_\_ Mortgage Loan. The Agency shall promptly advise the Trustee of the occurrence of a default on a 2025 Series \_\_ Mortgage Loan insured through FHA Risk-Sharing Insurance and shall keep the Trustee advised as to any actions taken to cure such default and/or to claim the benefits of FHA Risk-Sharing Insurance. Other than as permitted by HUD, the Agency shall not seek any extension of the deadline for filing notice of its intention to file a claim for FHA Risk-Sharing Insurance. The Agency shall take any and all action necessary or desirable to ensure that all benefits of FHA Risk-Sharing Insurance are paid to the Agency in cash, in accordance with all applicable regulations of the Federal Housing Commissioner.]

SECTION 510. Option to Make Certain Loans Pledged Property. (1) The Agency shall have the option of causing one or more loans (other than the 2025 Series \_\_ Mortgage Loans or any other existing Mortgage Loan) to be Program Assets and Pledged Property by delivering to the Trustee: (i) a Certificate signed by an Authorized Officer setting forth in reasonable detail a description of each such loan and stating that the Agency intends each loan so described to be a Program Asset and Pledged Property, and (ii) a Counsel's Opinion to the effect that each such loan is a Program Asset and Pledged Property and, as such, is subject to the lien of the General Resolution. The scheduled or other payments required by or with respect to each such loan, and any prepayments of any such loan, shall constitute Pledged Receipts. While any 2025 Series \_\_/\_\_ Bonds are Outstanding, the Agency shall not release any such loan or payments from such pledge pursuant to Section 817 of the General Resolution (except to the Special Loan Fund), or from the Special Loan Fund, except if the written direction of an Authorized Officer of the Agency to release such loan or payments is accompanied by an opinion of Bond Counsel to the effect that such release will not adversely affect the exclusion of interest on the 2025 Series \_\_/\_\_ Bonds from gross income for federal income tax purposes.

(2) The provisions of Section 819 of the General Resolution to the contrary notwithstanding, none of the loans constituting Program Assets and Pledged Property pursuant to paragraph (1) of this Section 508 shall be included or otherwise reflected in any Cash Flow Statement to be filed by the Agency (unless otherwise provided in a Supplemental Resolution).

## ARTICLE II ADDITIONAL TERMS OF 2025 SERIES \_\_\_-\_\_\_ BONDS

### Section C201. *Interest Rates and Effective Rates.*

(A) Unless the interest rate shall be Converted, the 2025 Series \_\_\_-\_\_\_ Bonds or any portion thereof shall bear interest at the applicable Effective Rate (based on the then current Mode Period), as determined by the Remarketing Agent with respect to any Mode Period; provided, however, that each 2025 Series \_\_\_-\_\_\_ Bond shall bear interest from its date of issuance at a Term Rate as provided in Section C206. Notwithstanding any other provision of this 2025 Series \_\_\_ Resolution, in no event will the 2025 Series \_\_\_-\_\_\_ Bonds bear interest at a rate in excess of the Maximum Rate.

(B) During a Daily Mode Period, a Weekly Mode Period, a Monthly Mode Period, or a Quarterly Mode Period, interest accrued on the Variable Rate Bonds shall be computed on the basis of a 365 or 366-day year, as applicable, for the number of days actually elapsed. During an Indexed Mode Period, interest accrued on the Variable Rate Bonds shall be computed on the basis of a 360-day year for the number of days actually elapsed. During a Semiannual Mode Period or a Term Rate Mode Period, interest accrued on the Variable Rate Bonds shall be computed on the basis of a 360-day year, consisting of twelve 30-day months. After Conversion to a Fixed Interest Rate, interest on the 2025 Series \_\_\_-\_\_\_ Bonds subject to such Conversion shall be computed on the basis of a 360-day year, consisting of twelve

30-day months. Bank Bonds shall bear interest at the Bank Interest Rate, payable on such dates and as otherwise determined pursuant to the applicable Liquidity Facility.

(C) With respect to interest on Variable Rate Bonds, such interest shall be payable on the applicable Interest Payment Date. Except as otherwise provided herein if tendered 2025 Series \_\_\_-\_\_\_ Bonds are not remarketed, purchased or redeemed on the applicable tender date, the Variable Rate Bonds (other than the Indexed Rate Bonds) shall bear interest, commencing on the Effective Rate Date based on the current Mode Period, at the rate determined by the applicable Remarketing Agent for the new Effective Rate Period (except for (i) Bank Bonds which, in accordance with the applicable Liquidity Facility, shall bear interest at the applicable Bank Interest Rate and (ii) Indexed Rate Bonds, which shall bear interest at the applicable Indexed Rate) as set forth below (provided, however, that each 2025 Series \_\_\_-\_\_\_ Bond shall bear interest from its date of issuance at a Term Rate as provided in Section C206):

(1) During each Mode Period, the Effective Rate with respect to any of the Variable Rate Bonds (other than Term Rate Bonds) shall be the lowest rate which (a) in the determination of the Remarketing Agent, as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market value of such Variable Rate Bonds on the Effective Rate Date being 100% of the principal amount thereof and (b) is less than or equal to the Maximum Rate. The Effective Rate for Term Rate Bonds shall be determined pursuant to Section C206.

(2) The determination by the Remarketing Agent in accordance with this Section C201(C) of the Effective Rate to be borne by the Variable Rate Bonds shall be conclusive and binding on the Bondholders of the Variable Rate Bonds and the Notice Parties, except as otherwise provided herein. Failure by the Remarketing Agent or the Trustee to give any notice required hereunder, or any defect therein, shall not affect the interest rate borne by the Variable Rate Bonds or the rights of the Bondholders thereof.

(3) Except as otherwise provided in Section C206 with respect to Variable Rate Bonds in a Term Rate Term, during any period in which the position of Remarketing Agent is vacant or the Remarketing Agent does not establish an interest rate, the Effective Rate on the Variable Rate Bonds shall be the interest rate as determined or caused to be determined on each applicable Rate Determination Date, at the expense of the Agency, by the Trustee to be the lesser of (i) the Rate Index plus 0.25% or (ii) the Maximum Rate. If for any reason the Trustee is unable to determine the Effective Rate by reference to the Rate Index, then the Effective Rate shall be determined on each Rate Determination Date by the Trustee and shall equal the lesser of (i) the Maximum Rate, or (ii) 80% of the interest rate applicable to 13-week United States Treasury Bills (or then comparable United States Treasury obligations) determined on the basis of the average per annum discount rate at which such 13-week United States Treasury Bills (or then comparable United States Treasury obligations) have been sold at the most recent Treasury auction (or the comparable United States Treasury marketing transaction). If the Trustee is unable to determine such rate, the Effective Rate to take effect on an Effective Rate Date shall be the interest rate in effect on the preceding day.

(4) In making or causing such determination to be made, the Trustee may engage, at the expense of the Agency, such calculation agents or experts as necessary to make such determination and rely on such agents and experts.

After Conversion to Fixed Rate Bonds, the 2025 Series \_\_\_-\_\_\_ Bonds or any portion thereof shall bear interest in accordance with Section C301(D).

Section C202. **Mode Period.** The Mode Period for all 2025 Series \_\_\_-\_\_\_ Bonds from the date of issuance thereof shall be the Term Rate Mode Period. Unless Conversion has occurred, the Agency may designate an alternate Mode Period with respect to any 2025 Series \_\_\_-\_\_\_ Bond (other than Bank Bonds) to take effect on any Business Day on or after the 2025 Series \_\_\_-\_\_\_ Optional Redemption or Tender Date with respect to such 2025 Series \_\_\_-\_\_\_ Bond (*except* as provided in the last sentence of Section 208(4)(B) hereof); provided that prior to any designation of a Mode Period the requirement of the first sentence of Section C402(A) shall have been satisfied, except as permitted by Section C206. In order for a Mode Change to occur, the Agency must deliver to the Trustee, on the applicable Effective Rate Date, an opinion of Bond Counsel to the effect that the Mode Change will not adversely affect the exclusion of interest on the 2025 Series \_\_\_-\_\_\_ Bonds from gross income for federal income tax purposes. The Agency shall give written notice of any such alternate Mode Period to the other Notice Parties and the Trustee shall give written notice of such Mode Change to the applicable Bondholders, each in accordance with the provisions of the Mode Period Chart; provided, however, that each Mode Change Date with respect to a 2025 Series \_\_\_-\_\_\_ Bond must be a Business Day on or after the 2025 Series \_\_\_-\_\_\_ Optional Redemption or Tender Date with respect to such 2025 Series \_\_\_-\_\_\_ Bond (*except* as provided in the last sentence of Section 208(4)(B) hereof) and shall be the initial Effective Rate Date (notwithstanding the dates set forth in the Mode Period Chart) for such alternate Mode Period.

For each Mode Period (other than an Indexed Mode Period) and separately for the applicable Variable Rate Bonds, the Interest Payment Dates, Rate Determination Dates, Effective Rate Dates, Statements of Effective Rate, Irrevocable Notices of Tender by Holders to Remarketing Agent or Tender Agent and Tender and Purchase Date (within Mode Period) and Written Mode Change Notices, Mandatory Tender shall be determined in accordance with the following chart (all times refer to time in New York City).

Promptly upon receipt notice of Mode Change from the Agency, in accordance with the provisions of the Mode Period Chart, as applicable, the Trustee shall notify each Bondholder of the proposed Mode Change and the proposed Mode Change Date.

The Agency may elect to cancel a Mode Change, in which case the Agency shall give notice of the cancellation to the Notice Parties at least four days prior to the proposed Mode Change Date for which notice was given to Bondholders and, thereafter, the Trustee shall give notice to each applicable Bondholder of the applicable Variable Rate Bonds of such cancellation at least three days prior to the proposed Mode Change Date for which the notice to Bondholders was given.

From the date on which (a) the Agency gives notice to the Trustee of its election to Convert any 2025 Series \_\_\_-\_\_\_ Bonds pursuant to Section C301 hereof, or (b) the Trustee gives notice of mandatory

tender pursuant to Section C303(A)(4) hereof, to the date such Conversion or tender and purchase is scheduled to occur, the Agency may not designate a new Mode Period.

(3) To the extent required by the Liquidity Facility, the Agency shall redeem Bank Bonds prior to the redemption of any other 2025 Series \_\_\_-\_\_\_ Bonds.

Section C206. **Term Rates.**

(A) The provisions of this Section C206 shall apply to Variable Rate Bonds during their Term Rate Mode Period. During any Term Rate Mode Period with respect to a 2025 Series \_\_\_-\_\_\_ Bond, such 2025 Series \_\_\_-\_\_\_ Bond shall bear interest at the Term Rate. The Term Rate for each such 2025 Series \_\_\_-\_\_\_ Bond shall be the lowest rate which (a) in the determination of the Remarketing Agent, as of the date of determination and under prevailing market conditions, would result as nearly as practicable in the market value of such 2025 Series \_\_\_-\_\_\_ Bond on the Term Rate Start Date being 100% of the principal amount thereof and (b) is less than or equal to the Maximum Rate; provided, however, that the Term Rate for the 2025 Series \_\_\_-\_\_\_ Bonds prior to any Mode Change with respect thereto or Conversion thereof (the "Initial Term Rate Bonds") shall be the rate per annum for the 2025 Series \_\_\_-\_\_\_ Bonds set forth in Section 203 hereof.

(B) The Term Rate Term is the period commencing on the Term Rate Start Date and ending on the earlier of (A) with respect to the Term Rate Term commencing on the date of issuance of the 2025 Series \_\_\_-\_\_\_ Bonds, the day preceding the Initial 2025 Series \_\_\_-\_\_\_ Mandatory Tender Date, and, with respect to any other Term Rate Term, the day preceding (i) the

Subsequent Term Rate Terms ending on the first May 1 or November 1 that is at least one month after the applicable Term Rate Start Date, or such later May 1 or November 1 as may be designated by the Agency and set forth in a Certificate of an Authorized Officer delivered to the Trustee on the applicable Term Rate Start Date, shall commence on the day immediately following the end of the preceding Term Rate Term (each such day a “Term Rate Adjustment Date”), unless on such date the applicable 2025 Series \_\_\_-\_\_\_ Bond is converted to a Mode other than the Term Rate Mode, is Converted, matures or is redeemed in whole on such date. Notwithstanding the foregoing, (a) the Agency may not select a Term Rate Term for a 2025 Series \_\_\_-\_\_\_ Bond longer than the time remaining to the earlier of (i) the remaining term of the Liquidity Facility (if one is in effect) or (ii) the final maturity of the 2025 Series \_\_\_-\_\_\_ Bond, (b) if a May 1 or November 1 determined or selected pursuant to this paragraph is a day other than a Business Day, the Term Rate Adjustment Date instead shall be deemed to be the Business Day immediately succeeding such May 1 or November 1 and the immediately preceding Term Rate Term shall end on the day preceding such Business Day, and (c) if any Initial Term Rate Bond is not purchased pursuant to Section C401 on its Initial 2025 Series \_\_\_-\_\_\_ Mandatory Tender Date, such Initial Term Rate Bond shall bear interest as provided above in this Section C206 and a new Term Rate Term shall not commence with respect to such Initial Term Rate Bond until such Initial Term Rate Bond is purchased pursuant to Section C401.

(C) The determination by the Remarketing Agent in accordance with this Section C201(C) of the Effective Rate to be borne by the Variable Rate Bonds shall be conclusive and binding on the Bondholders of the Variable Rate Bonds and the Notice Parties, except as otherwise provided herein. Section C207. ***No Defeasance of Certain Variable Rate Bonds without Rating Confirmation.*** The Agency shall not defease pursuant to Article XI of the General Resolution 2025 Series \_\_\_-\_\_\_ Bonds bearing interest at a Daily Rate, a Weekly Rate, a Monthly Rate, a Quarterly Rate or a Semiannual Rate unless it has received confirmation in writing from Moody’s that, following such defeasance, the rating assigned to such 2025 Series \_\_\_-\_\_\_ Bonds to be defeased will not be lower than the rating on such Bonds immediately prior to such defeasance.

### ARTICLE III TENDER AND CONVERSION OF VARIABLE RATE BONDS

Section C301. ***Conversion to Fixed Interest Rate or Indexed Rate.***

(A) The Agency may at its option, with receipt of an opinion of Bond Counsel to the effect that the Conversion of the Variable Rate Bonds will not adversely affect the exclusion of interest on the 2025 Series \_\_\_-\_\_\_ Bonds from gross income for federal income tax purposes, Convert the interest rates on all or (subject to Section C203) a portion of any 2025 Series \_\_\_-\_\_\_ Bond (other than a 2025 Series \_\_\_-\_\_\_ Bond

previously Converted), on any Business Day on or after the 2025 Series \_\_\_-\_\_\_ Optional Redemption or Tender Date with respect to such 2025 Series \_\_\_-\_\_\_ Bond (*except* as provided in the last sentence of Section 208(4)(B) hereof), to Fixed Interest Rates or an Indexed Rate as described herein. The Agency shall give written notice to the other Notice Parties that the Agency will cause a Conversion of such 2025 Series \_\_\_-\_\_\_ Bond (or such portion thereof) on the Conversion Date set forth in such written notice, which Conversion Date shall not occur sooner than eight days after the date of such notice and, with respect to any Conversion of 2025 Series \_\_\_-\_\_\_ Bonds to Indexed Rate Bonds, which notice shall specify the Indexed Rate Determination Method with respect to such 2025 Series \_\_\_-\_\_\_ Bonds.

(B) Prior to the Conversion of any of the 2025 Series \_\_\_-\_\_\_ Bonds, the Trustee shall deliver a notice to the Bondholders of the 2025 Series \_\_\_-\_\_\_ Bonds to be Converted not less than seven days (fifteen days while in the Term Rate Mode) prior to the Conversion Date, setting forth the following information:

(1) that the interest rate on such 2025 Series \_\_\_-\_\_\_ Bonds will be converted to a Fixed Interest Rate or an Indexed Rate, as applicable;

(2) the proposed Conversion Date;

(3) that such 2025 Series \_\_\_-\_\_\_ Bonds are subject to mandatory tender and that such 2025 Series \_\_\_-\_\_\_ Bonds are expected to be remarketed by the Remarketing Agent or purchased by the Bank, and may be redeemed by the Agency, on the Conversion Date;

(4) that the Agency may elect to cancel such Conversion, notice of which shall be given to Bondholders on or prior to the proposed Conversion Date;

(5) that any 2025 Series \_\_\_-\_\_\_ Bond not tendered on the mandatory tender date will be deemed tendered for purchase notwithstanding failure to deliver such 2025 Series \_\_\_-\_\_\_ Bonds; and

(6) the directions for delivery of tendered 2025 Series \_\_\_-\_\_\_ Bonds to the Tender Agent or the Remarketing Agent.

If the Agency elects to cancel such Conversion, the Agency shall give notice of the cancellation to the Notice Parties on or prior to the proposed Conversion Date for which the foregoing notice was given and, thereafter, the Trustee thereupon shall give notice to each applicable Bondholder of the 2025 Series \_\_\_-\_\_\_ Bonds of such cancellation.

(C) Upon any Conversion, the 2025 Series \_\_\_-\_\_\_ Bonds to be Converted shall be subject to mandatory tender in accordance with this Section and Section C303, and the Bondholders thereof shall be notified of such Conversion as provided herein. No 2025 Series \_\_\_-\_\_\_ Bonds to be Converted shall be remarketed by the Remarketing Agent subsequent to the date of notice of such Conversion except to purchasers who agree to accept the Fixed Interest Rate or the Indexed Rate, as applicable.

(D) Any 2025 Series \_\_\_-\_\_\_ Bonds that are Converted will bear interest at the Fixed Interest Rate determined in connection with such Conversion or the Indexed Rate with respect thereto determined from time to time in accordance with the provisions hereof, as applicable, until the maturity or prior

redemption thereof. The Remarketing Agent shall determine (i) in the case of a Conversion of 2025 Series \_\_\_-\_\_\_ Bonds to Fixed Rate Bonds, the Fixed Interest Rates which, in the determination of the Remarketing Agent, would result as nearly as practicable in the market value of such Converted 2025 Series \_\_\_-\_\_\_ Bonds on the Conversion Date being 100% of the principal amount thereof and (ii) in the case of a Conversion of 2025 Series \_\_\_-\_\_\_ Bonds to Indexed Rate Bonds, the Index Adjustment Factor or Index Percentage, as applicable, with respect to such 2025 Series \_\_\_-\_\_\_ Bonds as the Index Adjustment Factor or Index Percentage, as applicable, which, in the determination of the Remarketing Agent, would result as nearly as practicable in the market value of such Converted 2025 Series \_\_\_-\_\_\_ Bonds on the Conversion Date being 100% of the principal amount thereof. The Remarketing Agent shall notify the Notice Parties of the Fixed Interest Rate or the Index Adjustment Factor or Index Percentage, as applicable, as soon as practicable following the Conversion Date. The determination by the Remarketing Agent of the Fixed Interest Rate to be borne by or the Index Adjustment Factor or Index Percentage with respect to 2025 Series \_\_\_-\_\_\_ Bonds in accordance with this Section shall be conclusive and binding on the Bondholders of the 2025 Series \_\_\_-\_\_\_ Bonds and the other Notice Parties, except as otherwise provided herein.

(E) The 2025 Series \_\_\_-\_\_\_ Bonds tendered but not Converted shall bear interest in such Mode as determined by the Agency in accordance with Section C304.

(F) [RESERVED]

(G) On any Conversion Date, all 2025 Series \_\_\_-\_\_\_ Bonds subject to Conversion on such Conversion Date shall (automatically if less than all 2025 Series \_\_\_-\_\_\_ Bonds are subject to Conversion, or at the option of the Agency, as directed by an Authorized Officer, if all 2025 Series \_\_\_-\_\_\_ Bonds are subject to Conversion), upon such Conversion, bear a new Subseries designation. For example, the first such 2025 Series \_\_\_-\_\_\_ Bonds so Converted shall be re-designated "2025 Series \_\_\_-\_\_\_-A" and the second such 2025 Series \_\_\_-\_\_\_ Bonds so Converted shall be re-designated "2025 Series \_\_\_-\_\_\_-B" (or such other designation as may be specified by an Authorized Officer of the Agency). Such re-designations shall be consecutively lettered (or numbered) and shall continue in like manner until all Outstanding 2025 Series \_\_\_-\_\_\_ Bonds shall have been Converted to Fixed Rate Bonds or Indexed Rate Bonds. The Trustee, with the cooperation of the Agency, shall cause the preparation, execution, issuance, authentication and delivery of replacement 2025 Series \_\_\_-\_\_\_ Bonds in connection with a Conversion.

(H) Upon making an election to Convert 2025 Series \_\_\_-\_\_\_ Bonds to Indexed Rate Bonds, the Agency shall, for such bonds, select the method for determining the Indexed Rate from among the options described in paragraphs (1), (2), (3) or (4) below, and shall specify such method in its notice to the Trustee in connection with such Conversion. Upon Conversion of any Variable Rate Bonds to an Indexed Rate, the Indexed Rate Determination Method so selected for such Bonds shall be irrevocable with respect to such 2025 Series \_\_\_-\_\_\_ Bonds. Nothing herein shall limit the Agency from Converting different groups of 2025 Series \_\_\_-\_\_\_ Bonds to Indexed Rates at different times or from choosing different Indexed Rate Determination Methods for different groups of 2025 Series \_\_\_-\_\_\_ Bonds.

(1) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at the SIFMA Index multiplied by the Index Percentage determined for such 2025 Series \_\_\_-\_\_\_ Bonds; or

(2) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at the SIFMA Index plus or minus the Index Adjustment Factor for such 2025 Series \_\_\_-\_\_\_ Bonds; or

(3) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at the SIFMA Index multiplied by the Index Percentage determined for such 2025 Series \_\_\_-\_\_\_ Bonds plus or minus the Index Adjustment Factor for such 2025 Series \_\_\_-\_\_\_ Bonds; or

(4) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at Daily SOFR multiplied by the Index Percentage determined for such 2025 Series \_\_\_-\_\_\_ Bonds; or

(5) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at Daily SOFR plus or minus the Index Adjustment Factor for such 2025 Series \_\_\_-\_\_\_ Bonds; or

(6) Indexed Rate Bonds may bear interest during each Indexed Accrual Period at Daily SOFR multiplied by the Index Percentage determined for such 2025 Series \_\_\_-\_\_\_ Bonds plus or minus the Index Adjustment Factor for such 2025 Series \_\_\_-\_\_\_ Bonds.

Section C302. ***Bondholders' Election to Tender.*** Prior to any Conversion, Bondholders of Variable Rate Bonds (other than Bank Bonds and 2025 Series \_\_\_-\_\_\_ Bonds owned by or on behalf of the Agency and 2025 Series \_\_\_-\_\_\_ Bonds in the Term Rate Mode Period) may elect to tender their 2025 Series \_\_\_-\_\_\_ Bonds, which, if so tendered to the Remarketing Agent or the Tender Agent upon proper notice to both the Remarketing Agent and the Tender Agent, in the manner set forth in the Mode Period Chart, will be purchased on such applicable purchase date (or, in the case of 2025 Series \_\_\_-\_\_\_ Bonds in a Weekly Mode, on the purchase date specified in the Tender Notice) at the Purchase Price, subject to the conditions described herein. Such notice of tender for purchase of 2025 Series \_\_\_-\_\_\_ Bonds by the Bondholders thereof shall be in writing and shall be irrevocable once such is given to the Remarketing Agent and the Tender Agent, as directed in the Mode Period Chart.

Section C303. ***Mandatory Tender.***

(A) The Variable Rate Bonds (excluding 2025 Series \_\_\_-\_\_\_ Bonds owned by or on behalf of the Agency and including Bank Bonds only in connection with the following subclause (3)) or any portion thereof, as applicable, are subject to mandatory tender for purchase at the Purchase Price (with no right to retain) (1) with respect to a change from one Mode Period to any other Mode Period, on each Mode Change Date, (2) with respect to a Liquidity Expiration Event, not less than five days prior to the scheduled expiration or earlier termination of the Liquidity Facility, (3) on any Conversion Date, (4) upon receipt by the Trustee of a Notice of Termination Date, on a date not less than five days prior to the date on which the applicable Liquidity Facility will terminate, (5) on their Initial 2025 Series \_\_\_-\_\_\_ Mandatory Tender Date and any other Term Rate Adjustment Date, (6) upon the Agency obtaining a new liquidity facility when a Liquidity Facility is no longer in effect, and (8) on any Discretionary Tender Date (each a "*Mandatory Tender Date*"), subject to the conditions described herein.

(B) In connection with any mandatory tender of Variable Rate Bonds upon a Mandatory Tender Date, the Trustee shall deliver a notice to Bondholders of mandatory tender

stating the Mandatory Tender Date, the reason for the mandatory tender to owners of the applicable Variable Rate Bonds at least 15 days (or such lesser number of days as is set forth in the Mode Period Chart) prior to the Mandatory Tender Date, and that all such Bondholders subject to such mandatory tender shall be deemed to have tendered their Variable Rate Bonds upon such date. So long as all of the 2025 Series \_\_\_-\_\_\_ Bonds are registered in the name of Cede & Co., as nominee for DTC, such notice will be delivered to DTC or its nominee as registered owner of such 2025 Series \_\_\_-\_\_\_ Bonds. DTC is responsible for notifying DTC Participants, and DTC Participants and Indirect Participants are responsible for notifying beneficial owners of the 2025 Series \_\_\_-\_\_\_ Bonds. Neither the Trustee nor the Agency is responsible for sending notices to Participants, Indirect Participants or Beneficial Owners.

Section C304. **Remarketing; Failed Remarketing; Failed or Cancelled Conversions or Mode Changes.** For each date on which Variable Rate Bonds are tendered or required to be tendered and purchased, the Remarketing Agent shall use its best efforts to sell such Variable Rate Bonds in accordance with the Remarketing Agreement. In the event the Remarketing Agent is unable to remarket any Variable Rate Bonds so tendered, the Bank shall, pursuant to Section C401, purchase such 2025 Series \_\_\_-\_\_\_ Bonds in accordance with the Liquidity Facility and such Variable Rate Bonds shall become Bank Bonds unless and until such Bank Bonds are remarketed or otherwise repaid.

In the event of a failed or cancelled Conversion of any Variable Rate Bonds, a failed or cancelled Mode Change or a failed remarketing in connection with a mandatory tender when there is no Liquidity Facility in place, such 2025 Series \_\_\_-\_\_\_ Bonds shall not be purchased from the Bondholders thereof and shall bear interest in their existing Mode Period. In the event of a failed remarketing of Variable Rate Bonds subject to optional tender when there is no Liquidity Facility in place, such Variable Rate Bonds shall not be purchased from the Bondholder and will continue to bear interest in either the Daily Mode or the Weekly Mode, whichever was in effect for such Variable Rate Bonds prior to such tender.

When there is no Liquidity Facility in place, the only source of payment of the Purchase Price of Variable Rate Bonds tendered for purchase will be the proceeds of a remarketing; provided, however, that 2025 Series \_\_\_-\_\_\_ Bonds shall be subject to redemption as provided in Section C205(D).

Section C305. **Agency Not Responsible for Bank's Failure to Purchase Variable Rate Bonds.** The Agency is not responsible for any failure by the Bank to purchase Variable Rate Bonds tendered at the option of the Bondholder or subject to mandatory tender for purchase pursuant to this 2025 Series \_\_\_ Resolution, nor upon the occurrence of an Event of Default (as defined in the Liquidity Facility); provided that if the Agency is the Bank, the Agency shall be responsible for the foregoing to the extent provided by and in accordance with the related Self Liquidity. The holders of Variable Rate Bonds shall not have the right to tender their Variable Rate Bonds in the event that the Bank fails to purchase Variable Rate Bonds tendered or deemed tendered for purchase by the holders thereof or the Liquidity Facility is terminated without a Bondholder right to tender.

**ARTICLE IV**  
**PAYMENT OF TENDERED VARIABLE RATE BONDS**

Section C401. ***Payment of Tendered Variable Rate Bonds.*** Variable Rate Bonds that are tendered or deemed tendered under the terms of this 2025 Series \_\_ Resolution shall be purchased by the Remarketing Agent or the Tender Agent, as appropriate, upon surrender of such Variable Rate Bonds to the Tender Agent (with an appropriate endorsement for transfer to the Tender Agent, or accompanied by a bond power of attorney endorsed in blank), but only from the sources listed below, from the Bondholders thereof by 4:30 p.m., New York City time, on the date such 2025 Series \_\_-\_\_ Bonds are required to be purchased at the Purchase Price. Funds for the payment of such Purchase Price shall be derived from the following sources in the order of priority indicated:

- (a) the proceeds of the sale of Variable Rate Bonds furnished to the Remarketing Agent by the purchasers thereof pursuant to Section C507 of this 2025 Series \_\_ Resolution;
- (b) moneys furnished to the Tender Agent pursuant to Section C503 of this 2025 Series \_\_ Resolution, representing the proceeds of a draw under the applicable Liquidity Facility, if any; and
- (c) any other moneys held by the Trustee under the General Resolution and available for such purpose;

*provided, however,* that funds for the payment of the Purchase Price in the case of a purchase as described in Section C304(A)(4) shall be derived only from moneys obtained by the Trustee under the Liquidity Facility.

Any 2025 Series \_\_-\_\_ Bond not delivered to the Tender Agent as provided above in this Section C401 on or prior to the Purchase Date (“*Undelivered 2025 Series \_\_-\_\_ Bonds*”) for which there has been irrevocably deposited in trust with the Tender Agent an amount of moneys sufficient to pay the Purchase Price of such Undelivered 2025 Series \_\_-\_\_ Bonds shall be deemed to have been purchased at the Purchase Price on the Purchase Date, and the Holder of such Undelivered 2025 Series \_\_-\_\_ Bonds shall not be entitled to any payment (including any interest to accrue subsequent to the Purchase Date) other than such Purchase Price for such Undelivered 2025 Series \_\_-\_\_ Bonds, and any Undelivered 2025 Series \_\_-\_\_ Bonds shall no longer be entitled to the benefits of the General Resolution and this Supplemental Resolution, except for the purpose of payment of the Purchase Price therefor.

Section C402. ***Liquidity Facility.***

- (A) The Agency covenants, while any Variable Rate Bonds are Outstanding (other than Term Rate Bonds and Bank Bonds), to provide a Liquidity Facility upon the expiration or termination of a Liquidity Facility or the replacement of the Bank with respect to any Variable Rate Bonds or upon a Mode Change to a Mode not covered by the existing Liquidity Facility. Any Liquidity Facility shall provide for the Bank to provide funds for the purchase of Variable Rate Bonds that have been tendered and not remarketed subject to certain conditions as described herein. If the Bank is replaced by multiple liquidity providers, the obligations of such providers to

provide such funds may be several and need not be joint obligations. The Agency covenants and agrees with the Bondholders of the Variable Rate Bonds that it shall pay any obligation, fee or charge necessary to maintain any Liquidity Facility.

(B) The Agency shall not enter into any Liquidity Facility unless such Liquidity Facility provides that any expiration or termination thereof (as set forth in subsections (1) and (2) below) that gives rise to a mandatory tender of the Variable Rate Bonds shall give rise to such mandatory tender on a date that is not less than 30 days following the Trustee's receipt of a Notice of Termination Date from the Bank, such mandatory tender by the Trustee to the Bondholders of the Variable Rate Bonds. Such Mandatory Tender Date shall be not less than five days prior to the date that the Liquidity Facility expires or terminates.

(1) Promptly upon receipt by the Trustee and the Agency of a Notice of Termination Date from the Bank, which termination shall not occur less than 30 days following receipt by the Trustee of such Notice, the Trustee shall give notice to the Bondholders of Variable Rate Bonds that Variable Rate Bonds will be subject to mandatory tender for purchase, with no right to retain, at the Purchase Price (payable by the Bank) on the date set forth for purchase in such notice which date shall be not less than 15 days after the date of such notice to Bondholders.

(2) Unless the Trustee shall have received (i) written notice from the Bank that it elects to extend or renew a Liquidity Facility or (ii) written notice from the Agency that it has determined to provide or cause to be provided an Alternate Liquidity Facility, which notices shall be received not less than 45 days prior to the stated expiration date of the Liquidity Facility, the Trustee shall give notice to the Bondholders of Variable Rate Bonds that Variable Rate Bonds will be subject to mandatory tender for purchase, with no right to retain, not less than 15 days from the date of such notice to such Bondholders, at the Purchase Price (payable by the Bank) on the date set forth for purchase in such notice.

Section C403. ***Requirements for Delivery of an Alternate Liquidity Facility.***

(A) At least 45 days prior to the date of expiration of a Liquidity Facility (as the same may be extended in accordance therewith) or at least 45 days prior to any date upon which the Agency intends to deliver an Alternate Liquidity Facility to the Trustee, the Agency shall notify the Notice Parties and Moody's of its intent to deliver an Alternate Liquidity Facility, and the Trustee shall promptly thereafter notify the Bondholders of the Variable Rate Bonds that the Agency shall provide for delivery to the Trustee an Alternate Liquidity Facility as permitted by this Section. The Agency shall deliver such Alternate Liquidity Facility to the Trustee on or before the date specified therefor by the Trustee in the notice described in the preceding sentence. In the event that the Agency gives such notice as provided above, such notice shall specify the name of the entity providing the Alternate Liquidity Facility and shall advise that the then-existing Liquidity Facility will terminate on the date stated in such notice, and that the Variable Rate Bonds shall be subject to mandatory tender (with no right to retain) not less than five days prior to the termination of the existing Liquidity Facility at a purchase price equal to 100% of the principal amount thereof,

together with accrued interest to the date of purchase (payable by the Bank in accordance with the Liquidity Facility to the extent remarketing proceeds are insufficient).

(B) On or prior to the date of delivery of an Alternate Liquidity Facility to the Trustee, the Agency shall furnish or cause to be furnished to the Trustee (i) an opinion of counsel satisfactory to the Agency stating that the delivery of such Alternate Liquidity Facility to the Trustee is authorized hereunder and complies with the terms hereof; and (ii) an opinion of Bond Counsel to the effect that delivery of the Alternate Liquidity Facility will not affect the exclusion of interest on the 2025 Series \_\_\_-\_\_\_ Bonds from gross income for federal income tax purposes. In addition, no Alternate Liquidity Facility may be delivered to the Trustee for any purpose hereunder unless accompanied by the following documents:

(1) opinions of counsel reasonably satisfactory to the Agency to the effect that, as applicable, (a) the Bank providing such Alternate Liquidity Facility is duly organized and existing under the laws of the jurisdiction of its organization and, if applicable, is duly qualified to do business in the United States of America; (b) the Alternate Liquidity Facility is a legal, valid and binding obligation of the Bank thereunder enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium and other laws relating to, or affecting generally the enforcement of, creditors' rights and remedies, and by the availability of equitable remedies, including specific performance and injunctive relief; and (c) the Alternate Liquidity Facility need not be registered as a "security" under the Securities Act of 1933, as amended, or qualification of an indenture under the Trust Indenture Act of 1939, as amended, will be required in connection with the issuance and delivery of such Alternate Liquidity Facility or the remarketing of Variable Rate Bonds with the benefits thereof;

(2) a letter from Moody's evidencing that the replacement of the Liquidity Facility with the Alternate Liquidity Facility will result in the Required Short Term Rating;

(3) copies of any other documents, agreements or arrangements entered into directly or indirectly between the Agency and the entity issuing the Alternate Liquidity Facility with respect to the transactions contemplated by the Alternate Liquidity Facility; and

(4) such other documents and opinions as the Agency may reasonably request, including evidence that all amounts due and payable to the Bank providing the then-existing Liquidity Facility have been paid.

Section C404. ***Self Liquidity or Non-Conforming Liquidity Facility.***

(A) Notwithstanding any other provision of this 2025 Series \_\_\_ Resolution, the Agency may elect to provide liquidity support for purchases of all or a portion of the 2025 Series \_\_\_-\_\_\_ Bonds from its own funds ("*Self Liquidity*") or through a facility which does not satisfy the

requirements of Section C403 (a “*Non-Conforming Liquidity Facility*”), provided that the following provisions of this Section C404 are satisfied.

(B) At least 45 days prior to any date upon which the Agency intends to deliver Self Liquidity or a Non-Conforming Liquidity Facility to the Trustee, the Agency shall notify the Notice Parties and Moody’s of its intent to deliver such Self Liquidity or Non-Conforming Liquidity Facility, and the Trustee shall promptly thereafter notify the Bondholders of the affected 2025 Series \_\_\_-\_\_\_ Bonds, that the Agency shall provide for delivery to the Trustee of such Self Liquidity or Non-Conforming Liquidity Facility as permitted by this Section. The Agency shall deliver such Self Liquidity or Non-Conforming Liquidity Facility to the Trustee on or before the date specified therefor in the notice described in the preceding sentence. In the event that the Agency gives such notice as provided above, such notice shall specify the name of the entity providing the Non-Conforming Liquidity Facility, if any, the effective date thereof or of Self Liquidity and shall advise that the then-existing Liquidity Facility (or applicable portion thereof) will terminate on such effective date, and that the affected 2025 Series \_\_\_-\_\_\_ Bonds shall be subject to mandatory tender (with no right to retain) and the date of such mandatory tender (which shall be not later than the last date on which the existing Liquidity Facility shall remain in effect) at a purchase price equal to 100% of the principal amount thereof, together with accrued interest to the date of purchase (payable by the Bank in accordance with the Liquidity Facility to the extent remarketing proceeds are insufficient) on such date.

On or prior to the date of delivery of Self Liquidity or a Non-Conforming Liquidity Facility to the Trustee, the Agency shall furnish or cause to be furnished to the Trustee (i) an opinion of counsel satisfactory to the Agency stating that the delivery of such Liquidity Facility to the Trustee is authorized hereunder and complies with the terms hereof, (ii) an opinion of Bond Counsel to the effect that delivery of Self Liquidity or the Non-Conforming Liquidity Facility, as applicable, will not affect the exclusion of interest on the 2025 Series \_\_\_-\_\_\_ Bonds from gross income for federal income tax purposes, and (iii) if Self Liquidity, an opinion of Bond Counsel, to the effect that such Liquidity Facility is permitted under the Act. In addition, no such Liquidity Facility may be delivered to the Trustee for any purpose hereunder unless accompanied by the following documents:

(1) opinions of counsel reasonably satisfactory to the Agency to the effect that, as applicable, (i) the provider of such Liquidity Facility is duly organized and existing under the laws of the jurisdiction of its organization and, if applicable, is duly qualified to do business in the United States of America; (ii) the Liquidity Facility is a legal, valid and binding obligation of the provider enforceable in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization, moratorium and other laws relating to, or affecting generally the enforcement of, creditors’ rights and remedies, and by the availability of equitable remedies, including specific performance and injunctive relief; and (iii) no registration under the Securities Act of 1933, as amended, or qualification of an indenture under the Trust Indenture Act of 1939, as amended, will be required in connection with the issuance and delivery of such Liquidity Facility or the remarketing of Variable Rate Bonds with the benefits thereof;

(2) copies of any documents, agreements or arrangements related to or entered into directly or indirectly between the Agency and the entity issuing such Liquidity Facility with respect to the transactions contemplated by such Liquidity Facility;

(3) evidence from Moody's of the short-term and long-term ratings on the affected 2025 Series \_\_\_-\_\_\_ Bonds;

(4) such other documents and opinions as the Agency may reasonably request, including evidence that all amounts due and payable to the Bank providing the then-existing Liquidity Facility have been paid;

(5) if such Liquidity Facility will provide liquidity support for less than all of the Outstanding 2025 Series \_\_\_-\_\_\_ Bonds, the prior written consent of each Bank; and

(6) if required to make the terms of this 2025 Series \_\_\_ Resolution consistent with the terms of such Liquidity Facility, a Supplemental Resolution amending this 2025 Series \_\_\_ Resolution.

Section C405. **Authorization for Liquidity Facility.** (A) [The Agency hereby approves the execution by its Senior Vice President-Multifamily Finance & Development and each other Authorized Officer (each an "Authorized Representative") on behalf of the Agency of the Standby Bond Purchase Agreement, dated \_\_\_\_\_, 2025 (together with the related fee letter, the "2025 Series \_\_\_ [\_\_\_\_\_] Agreement"), by and between the Agency and [\_\_\_\_\_] in substantially the form attached hereto as Exhibit D with such changes, insertions, deletions and modifications as such Authorized Representative shall approve. Such approval shall be evidenced by the execution of such agreement by an Authorized Representative] [The Agency hereby authorizes and approves the execution by an Authorized Officer on behalf of the Agency of a Liquidity Facility in connection with any conversion of the 2025 Series \_\_\_-\_\_\_ Bonds from Initial Term Rate Bonds to other Variable Rate Bonds (the "Initial Liquidity Facility"), and of any Alternate Liquidity Facility, each on such terms as an Authorized Officer shall approve, such approval to be evidenced by the execution of any such Liquidity Facility by an Authorized Officer.]

(B) The Agency hereby authorizes and approves the execution by the Agency of amendments to any such Liquidity Facility on such terms as an Authorized Officer shall approve, such approval to be evidenced by the execution of any such amendment by an Authorized Officer

## ARTICLE V

### THE TENDER AGENT; THE REMARKETING AGENT

Section C501. **Appointment of Tender Agent, Acceptance and Successors.**

(A) The Agency hereby appoints The Bank of New York Mellon as Tender Agent. The Tender Agent shall designate to the Trustee its principal office, and signify its acceptance of the duties and obligations imposed on it hereunder by a written instrument of acceptance delivered to the other Notice Parties. One or more additional Tender Agents may be appointed by the Agency to the extent necessary to effectuate the rights of the Bondholders to tender 2025 Series

\_\_-\_\_ Bonds for purchase as provided herein. The Tender Agent shall be entitled to compensation, payable solely from the Pledged Property, for its services provided hereunder in accordance with the schedule of fees provided to, and agreed upon by, the Agency.

(B) The Tender Agent may at any time resign and be discharged of the duties and obligations created by this 2025 Series \_\_ Resolution by giving at least 60 days' written notice to the other Notice Parties, except that such resignation shall not take effect until the appointment of a successor Tender Agent hereunder. The Tender Agent may be removed at any time by the Agency by a written instrument filed with the other Notice Parties. Upon the resignation or removal of the Tender Agent, the Tender Agent shall pay over, deliver and assign any moneys and 2025 Series \_\_-\_\_ Bonds held by it in such capacity to its successor.

(C) If the position of Tender Agent shall become vacant for any reason, or if any bankruptcy, insolvency or similar proceeding shall be commenced by or against the Tender Agent, the Agency shall appoint a successor Tender Agent to fill the vacancy and provide notice of such appointment to the Notice Parties. A written acceptance of office shall be filed by the successor Tender Agent in the manner set forth in subsection (A) above. Any successor Tender Agent shall be a corporation duly organized under the laws of the United States of America or any state or territory thereof, having a combined capital stock, surplus and undivided profits of at least \$100,000,000 (or, alternatively, maintains a line of credit with a commercial bank of at least \$100,000,000) and authorized by law to perform all of the duties imposed on it by this 2025 Series \_\_ Resolution.

Section C502. ***General Responsibilities of Tender Agent.***

(A) Prior to the Conversion of any 2025 Series \_\_-\_\_ Bond, the Tender Agent shall perform the duties and obligations set forth in this 2025 Series \_\_ Resolution and in the Liquidity Facility, and in particular:

(1) On each Purchase Date on which Variable Rate Bonds are to be purchased pursuant to the Liquidity Facility, the Tender Agent shall direct the Bank thereunder pursuant to Section C503 to provide immediately available funds to be used for the purpose of purchasing tendered Variable Rate Bonds that have not been remarketed on such Purchase Date. The Tender Agent shall remit immediately to the Bank such funds that are not so used to purchase tendered 2025 Series \_\_-\_\_ Bonds.

(2) The Tender Agent shall hold all moneys delivered to it pursuant to the Liquidity Facility, as agent and bailee of, and in escrow for the benefit of the Bondholders, in the 2025 Series \_\_-\_\_ Bond Purchase Account (which the Tender Agent is hereby directed to create and which account shall not be a Fund or Account under the General Resolution and amounts on deposit therein shall not be Pledged Property) until such moneys have been delivered to or for the account of the tendering Bondholders for the purchase of unremarketed Variable Rate Bonds pursuant to such Liquidity Facility. Any such funds which are not so used to purchase tendered Variable Rate Bonds shall be held by the Tender Agent as provided in the Liquidity Facility. Such moneys held by

the Tender Agent under this subsection (2) shall be held uninvested and segregated from other funds.

(B) In performing its duties and obligations hereunder, the Tender Agent shall perform only such duties specifically set forth in this 2025 Series \_\_\_ Resolution and shall be entitled to the protections, limitations on liability and indemnities afforded to the Trustee hereunder and under the Resolution.

(C) The Tender Agent may deal in 2025 Series \_\_\_-\_\_\_ Bonds and with the Agency to the same extent and with the same effect as provided with respect to the Trustee and any Paying Agent.

(D) The Notice Parties shall each cooperate to cause the necessary arrangements to be made and to be thereafter continued whereby funds from the sources specified herein and in the Liquidity Facility will be made available for the purchase of 2025 Series \_\_\_-\_\_\_ Bonds presented at the principal office of the Tender Agent, and to otherwise enable the Tender Agent to carry out its duties hereunder.

(E) The Tender Agent shall cooperate to the extent necessary to permit the preparation, execution, issuance, authentication and delivery by the Tender Agent of replacement 2025 Series \_\_\_-\_\_\_ Bonds in connection with the tender and remarketing of 2025 Series \_\_\_-\_\_\_ Bonds hereunder.

(F) The Tender Agent hereby waives any rights to, or liens on, any funds or obligations held by or owing to it.

(G) The Tender Agent shall perform the duties provided therefor under any Liquidity Facility to which it is a party.

(H) The Tender Agent shall hold all moneys delivered to it from or on behalf of purchasers of tendered Variable Rate Bonds as agent and bailee of, and in escrow for the benefit of the Bondholders, until such moneys have been delivered to or for the account of the tendering Bondholders. Such moneys held by the Tender Agent under this subsection (H) shall be held uninvested and segregated from other funds and such moneys shall not be Pledged Property under the Resolution.

Section C503. ***Sources of Funds for the Purchase of Tendered Bonds.***

(A) The Tender Agent shall only make such payments called for under this 2025 Series \_\_\_ Resolution from funds transferred to it or directed by it for payment pursuant to this 2025 Series \_\_\_ Resolution and the Liquidity Facility, which funds are immediately available to the Tender Agent for purposes of making such payments. Under no circumstances shall the Tender Agent be obligated to expend any of its own funds in connection with this 2025 Series \_\_\_ Resolution or the performance of its duties hereunder. The Tender Agent shall have no liability for interest on any moneys received or held by it.

(B) Whenever there is a Liquidity Facility in place, on each Purchase Date, in the event that any Variable Rate Bonds tendered for purchase on such date are unable to be remarketed, the Tender Agent shall, by no later than 12:30 p.m., New York City time, give the Bank electronic notice or telecopy notice with receipt confirmed telephonically of the aggregate Purchase Price of the tendered Variable Rate Bonds required to be purchased by the Tender Agent pursuant to the Liquidity Facility, and the amount of principal and interest, respectively, comprising such Purchase Price. Promptly after the Bank makes such funds available to the Tender Agent for purchase of such Variable Rate Bonds as provided under the Liquidity Facility, the Tender Agent is required to purchase therewith, for the account of the Bank, that portion of the tendered Variable Rate Bonds for which immediately available funds are not otherwise then available for such purchases under this 2025 Series \_\_ Resolution. Such Bank Bonds shall be held by the Tender Agent on behalf of the Bank unless or until the Bank provides alternative written instructions to the Tender Agent.

(C) Whenever there is a Liquidity Facility in place, if, on each Purchase Date, the Remarketing Agent fails for any reason to comply with its requirement under the Remarketing Agreement to deliver notice by not later than 12:00 noon, New York City time, of the aggregate principal amount of tendered Variable Rate Bonds that it has remarketed on such date, then the Tender Agent shall direct the Bank to make available, in immediately available funds, an amount equal to 100% of the aggregate principal amount of all Variable Rate Bonds tendered on such Purchase Date, together with accrued interest to such date. Such moneys shall be held, used for purchase and remitted as necessary in accordance with Section C503(A) and C503(B) hereof.

Section C504. ***Tender Agent and Trustee.***

(A) The Tender Agent shall have those rights, duties, powers and obligations conferred on the Trustee hereunder which are necessary to enable the Tender Agent to effectuate the right of the Bondholders to tender 2025 Series \_\_-\_\_ Bonds for purchase in accordance with this Article V and shall be entitled to the protections, limitations from liability and indemnities afforded the Trustee under the Resolution; provided, however, that the Tender Agent may not require assurances of indemnity or other protections under this 2025 Series \_\_ Resolution as a condition to its obligation to draw on the Liquidity Facility in accordance with Section C503 hereof.

(B) The Trustee in conjunction with the Tender Agent shall take all actions necessary to maintain books and records as required under the Resolution. In no event shall the Trustee be liable for any actions or omissions of the Tender Agent.

(C) The Trustee shall hold all moneys delivered to it from or on behalf of purchasers of tendered Variable Rate Bonds as agent and bailee of, and in escrow for the benefit of the Bondholders), until such moneys have been delivered to or for the account of the tendering Bondholders. Such moneys held by the Trustee under this subsection (C) shall be held uninvested and segregated from other funds and such moneys shall not be Pledged Property under the Resolution.

Section C505. ***Appointment of Remarketing Agent, Acceptance and Successors.***

(A) The Agency hereby authorizes an Authorized Officer appoint a Remarketing Agent from time to time. The Remarketing Agent shall signify its acceptance of the duties and obligations imposed on it hereunder by duly executing and delivering a Remarketing Agreement.

(B) The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this 2025 Series \_\_\_ Resolution by giving at least 30 days' written notice to the Notice Parties, except that such resignation shall not take effect until the appointment of a successor Remarketing Agent hereunder. The Remarketing Agent may be removed at any time by the Agency by a written notice filed at least 30 days in advance with such parties, except that the Agency shall not remove the Remarketing Agent until the appointment of a successor Remarketing Agent hereunder, which successor shall be subject to the reasonable approval of the Bank. Upon the resignation or removal of the Remarketing Agent, the Remarketing Agent shall pay over, deliver and assign any monies and 2025 Series \_\_\_-\_\_\_ Bonds held by it in such capacity to its successor.

(C) If the position of Remarketing Agent shall become vacant for any reason, or if any bankruptcy, insolvency or similar proceeding shall be commenced by or against the Remarketing Agent, the Agency shall appoint a successor Remarketing Agent to fill the vacancy and provide notice of such appointment to the Notice Parties, which successor shall be subject to the reasonable approval of the Bank. A written acceptance of office shall be filed by the successor Remarketing Agent in the manner set forth in subsection (A) of this Section. Any successor Remarketing Agent shall be a member of the Financial Industry Regulatory Authority, the successor organization to the National Association of Securities Dealers, Inc., having a capitalization of at least \$100,000,000 (or, alternatively, maintaining a line of credit from a commercial bank of at least \$100,000,000) and authorized by law to perform all of the duties imposed on it under this 2025 Series \_\_\_ Resolution.

Section C506. **General Responsibilities of Remarketing Agent.** (A) The Remarketing Agent shall perform the duties and obligations set forth in the Remarketing Agreement and this 2025 Series \_\_\_ Resolution, and in particular shall:

(1) use its best efforts to solicit purchases of 2025 Series \_\_\_-\_\_\_ Bonds (including Bank Bonds) from investors able to purchase municipal bonds, effectuate and process such purchases, bill and receive payment for 2025 Series \_\_\_-\_\_\_ Bonds purchased, and perform related functions in connection with the remarketing of 2025 Series \_\_\_-\_\_\_ Bonds hereunder;

(2) keep such books and records as shall be consistent with prudent industry practice and which will document its action taken hereunder, and make such books and records available for inspection by the Notice Parties; and

(3) comply at all times with all applicable state and federal securities laws and other statutes, rules and regulations applicable to the offering and sale of the 2025 Series \_\_\_-\_\_\_ Bonds.
