Homes and Community Renewal
Office of Resilient Homes and Communities

Addendum #3 – Resilient Investments through Support and Capital (RISC) Infrastructure Notice of Funding Availability (NOFA)

To: Potential Applicants
From: Office of Resilient Homes and Communities
Date: March 16, 2026

Modifications to RISC Infrastructure Program Application Workbook

The following are official modifications which are hereby incorporated into the RISC Infrastructure Program Application Workbook. The information contained in this Addendum prevails over the original language posted in the Workbook.

Tab E - Ackl'mts & Certs Modification

Update to Tab E of the Application Workbook- Ackl'mts & Certs to remove the following question below as it is not applicable to the program:

~~**5. I certify I have read, understand and agree to the following regarding occupant income documentation:**~~

~~Applicant must have or obtain income documentation for every household occupying the project, and make this available for RHC review if RHC issues a funding commitment.~~

A link to the modified Workbook can be found in the Materials Section of the Hurricane Ida CDBG - DR Funding Opportunities | Homes and Community Renewal website.
